

1 Who Should Attend . . .

This seminar is a must for anyone concerned about health and safety on the job including:

- ▶ Managers concerned about liability and workers' compensation costs.
- ▶ Employees who want to learn proper techniques for protecting their safety and health at work.
- ▶ Business owners who want to learn about compliance with Michigan Occupational Safety and Health Administration (MIOSHA).

2 MIOSHA Training Institute

MIOSHA Consultation Education and Training (CET) Division and Macomb Community College (MCC) have developed the MIOSHA Training Institute (MTI) through a formal alliance. The MTI introduced an Assessment-Based Certificate program, effective October 1, 2007. The certificate program offers participants an opportunity to be recognized for their educational efforts and increased technical expertise. Courses are offered throughout the state in sponsorship with other M-TECSM facilities, community colleges, and safety and health organizations. To learn more about the certificate program, log on to the CET Division website at www.michigan.gov/mti.

3 What You'll Learn . . .

This course moves beyond the initial development and implementation of a Safety and Health Management System (SHMS) to the ongoing responsibilities for evaluation, maintenance, and participation in the system to affect continuous improvement. This course focuses primarily on building and sustaining management commitment and employee involvement. It is highly recommended that students complete "Recommended Practices for Safety and Health Programs" before taking this course.

Agenda

We offer a flexible program agenda to emphasize the health and safety topics you want most.

Participants will:

- ▶ Recognize continuous improvement strategies for a SHMS system.
- ▶ Identify strategies to increase management commitment using continuous improvement methods.
- ▶ Identify strategies to increase employee involvement using continuous improvement methods.

Required Class for
Safety and Health
Management Systems
Level Two
MTI Certificate

The meeting site and parking are accessible. Individuals attending the meeting are requested to refrain from using heavily scented personal care products, in order to enhance accessibility for everyone. People with disabilities requiring additional services (such as materials in alternative format) in order to participate in the meeting should call 517-284-7720 at least 30 days before the program. The Department of Labor and Economic Opportunity (LEO) is an equal opportunity employer/program.

Facilitator

Mark Ginter is the Cooperative Programs Specialist with the Consultation Education, and Training (CET) Division of MIOSHA. Mark currently provides consultation and training services for counties in Mid-Michigan including: Arenac, Bay, Clare, Genesee, Gladwin, Gratiot, Huron, Isabella, Mecosta, Midland, Montcalm, Saginaw, and Tuscola as well as working State-wide with current and prospective members of MIOSHA's Cooperative programs.

Mark goal is to reduce worker injuries and help employers grow their business through outreach, consultation, collaboration with MIOSHA CET services, and promoting hazard recognition. Before coming to MIOSHA Mark worked in the construction and building materials industry for over 20 years. In addition to working as a carpenter in both commercial and residential settings, he has experience in: construction project management, power equipment and safety training, material distribution and logistics, employee development, and material manufacturing. Mark has a broad range of experience in utilizing safety training and standards to meet ISO requirements, develop operational excellence, improve employee retention, and improve financial performance.

Mark is a graduate of Central Michigan University with a Bachelor of Science degree in Psychology as well as a Master degree in Business Administration from Northwood University.
