

## **MIOSHA Training Institute Scholarship Program**

The MIOSHA Training Institute (MTI) provides a wide range of courses across the state directed toward improving and advancing safety and health in the workplace. Courses cover a wide range of topics from fundamentals of MIOSHA compliance to how to develop a safety and health management system. Taking courses can lead to MTI certifications, and increase worker safety and health knowledge. The MTI scholarship program began October 1, 2009, as a means to offer courses at reduced rates.

### **The MTI scholarship program was established to:**

- Increase attendance in MTI courses
- Increase the number of Level One and Level Two certifications
- Provide a financial incentive for employers and individuals to attend MTI courses

### **MTI scholarship frequently asked questions:**

#### ***What courses are eligible for a scholarship?***

Starting October 1, 2009, scholarships may be used for any publicly offered MTI courses with the exception of pilot courses and boot camps.

#### ***How much do the scholarships pay?***

Scholarships provide 50% funding of the regular course fees for MTI courses. Boot camps and pilot programs are not eligible for scholarships.

#### ***When can I apply for MTI scholarships?***

Scholarships will be approved no more than three months prior to the start date of a selected course. Applications must be received no later than three weeks prior to the course start date. Eligibility will continue on a “rolling” three-month advance schedule.

***Can I apply for more than one MTI scholarship?***

Yes. There will be no limits to the number of courses for which an individual can request scholarship assistance, with the exception of a participant failing a course. However, applicants may only apply for one course per application.

***How will I know if I am awarded a scholarship?***

Confirmation will be provided via email within five business days of submission approving the scholarship. If the desired course is full, applicants must submit a new application for another course. Applications not meeting the parameters of the program will be returned.

***How does the scholarship work?***

After notification of scholarship approval from the MIOSHA Consultation Education and Training (CET) Division applicants must register with the cosponsor for the approved course within five business days. If applicant fails to register within five days, the approval for the scholarship will be rescinded and applicant will need to reapply. Students who register for a course but do not attend may be assessed the course fees by the cosponsor and may be denied future consideration for scholarships.

***What happens if I fail a course?***

A participant will be allowed to apply for a scholarship for ***one*** repeat course. Individuals can still apply for other courses.

***Where do I find the application?***

[Click HERE to fill out the application online.](#)

***Who do I contact if I have additional questions?***

If you have any questions, you can contact the MIOSHA CET Division at 517-284-7720 or at [MIOSHAMTI@michigan.gov](mailto:MIOSHAMTI@michigan.gov).
