

An Informative Two-day Seminar:

OSHA General Industry 10-Hour

(Formerly known as MIOSHA General Industry 10-Hour)

1 Who Should Attend . . .

This seminar is a must for anyone concerned about health and safety on the job including:

- ▶ Managers concerned about workers' compensation costs.
- ▶ Employees who want to learn proper techniques for protecting their safety and health at work.
- ▶ Business owners who want to learn about compliance with Michigan Occupational Safety and Health Administration (MIOSHA).

2 MIOSHA Training Institute

MIOSHA Consultation Education and Training (CET) Division and Macomb Community College (MCC) have developed the MIOSHA Training Institute (MTI) through a formal alliance. The MTI introduced an Assessment-Based Certificate program, effective October 1, 2007. The certificate program offers participants an opportunity to be recognized for their educational efforts and increased technical expertise. Courses are offered throughout the state in sponsorship with other M-TECSM facilities, community colleges, and safety and health organizations. To learn more about the certificate program, log on to the CET Division website at www.michigan.gov/mti.

3 What You'll Learn . . .

Many companies are faced with the need for employees to perform new or multiple job functions. As personnel shifts to accommodate business needs it is essential to understand the importance of safety and health programs and their effect on business. This course offers an introduction to OSHA and MIOSHA, the resources and tools to create or enhance an effective safety and health program, and highlights of many key General Industry Safety and Health Standards. **In this two-day course, each student will receive an OSHA General Industry 10-Hour card upon successful completion of the course.**

Required Class for
General Industry
Level One
MTI Certificate

Agenda

Facilitator

Chris Johnson is an Occupational Safety Consultant with the Consultation Education and Training Division of MIOSHA. Chris currently provides consultation and training services for Southwest Michigan counties.

Before working with the State of Michigan, Chris was a Safety Chair at a MVPP STAR manufacturing facility in West Michigan. His responsibilities included incident investigation, safety training, employee engagement, and developing and working with different employee lead safety teams in order to enhance the safety culture. Chris also has previous experience in the insurance industry, working with accident and liability investigations.

Chris is a graduate of Lake Superior State University with a Bachelor of Science degree in Fire Science and is a licensed fire fighter and emergency medical technician in the State of Michigan.

Chris Johnson
Senior Occupational Safety Consultant
MIOSHA, CET Division
