# Sample Powered Industrial Truck Operator Permits

MIOSHA/CET #0116C (Rev. 08/19)

## Note To Employer:

Equipment listed on this permit/training certification card require operator selection, training, and testing prior to issuance. Consult MIOSHA General Industry Standards Part 21. Powered Industrial Trucks, Part 58. Aerial Work Platforms; and Construction Safety Standards Part 12. Scaffolds, Part 13. Mobile Equipment, and Part 32. Aerial Work Platforms, for special requirements.

## Other Moibile Equipment

MIOSHA General Industry Standards Part 19. Crawler, Locomotive and Truck Crane, Part 22. Tractors, and Construction Safety Standard Part 10. Lifting and Digging Equipment, also contain operator selection, training, and testing requirements. However, operator permits or training certification is optional.

The Department of Labor and Economic Opportunity (LEO) is an equal opportunity employer/program.

## Employer Responsibility:

- To provide training to employees in the operations, hazards, safeguards, and safe practices of the equipment.
- Maintain the equipment in a condition free of known defects and hazards, which could cause an injury.

## Employee Responsibility:

- Operate the equipment only after being trained in the operations, hazards, safeguards, and safe practices required by these rules by a qualified person and authorized by the employer.
- Report known defects and hazards concerning an aerial device to the supervisor.

## Note To Employer:

Equipment listed on this permit/training certification card require operator selection, training, and testing prior to issuance. Consult MIOSHA General Industry Standards Part 21.
