

About Michigan Rehabilitation Services (MRS)

MRS is a state agency that provides specialized employment and education related services and training to assist people with disabilities in becoming employed or retaining employment.

Many services are available to you at no or low cost. We may also be able to assist when your insurance doesn't fully cover the service.

How To Contact Us

To learn more about Michigan Rehabilitation Services and how we may be able to assist you in maintaining your employment, please contact your local MRS office or visit at: Michigan.gov/MRS.

Local MRS Office Information:

MRS is funded 78.7% with USDOE-RSA Title I federal funds, and 21.3% with state and local funds.

The Michigan Department of Labor & Economic Opportunity (MDLEO) does not discriminate against any individual or group because of race, religion, age, national origin, color, height, weight, marital status, genetic information, sex, sexual orientation, gender identity or expression, political beliefs or disability.

Are You Familiar with a Resource That Can Assist You in Maintaining Your Employment?

Who Qualifies for Assistance Through Michigan Rehabilitation Services?

Any individual with a disability who...

- is experiencing problems on the job,
- is at risk of losing his or her employment, or
- determines his or her employment is endangering the health and safety of themselves or others.

You may qualify for retention services!!

How Michigan Rehabilitation Services Can Help You...

We may be able to offer assistance and services in maintaining your job if your disability or medical condition is causing a barrier or safety issue at work.

This could include services such as assistive devices, technology, evaluations, or equipment, so that you can safely continue to be employed.

You will have the opportunity to work with a Master's level Vocational Rehabilitation Counselor who can provide counseling and guidance in addressing your disability needs and maintaining your employment.

All services are completely confidential!!

Examples of Individualized Services to Assist You in Safely and Productively Maintaining Employment:

- Assist you and your employer in understanding their responsibilities under the Americans with Disabilities Act.
- With your permission support and follow-up with you and your employer, to ensure you can maintain your employment.
- Evaluations and recommendations for accommodations on how job tasks or work stations may be modified to meet your physical or medical needs.
- Assistance with addressing hearing needs or sleep apnea testing and devices, if required for Department of Transportation certifications for employment.
- Assistance with restoration services in order to perform essential job functions such as:
 - cardiac rehabilitation or physical therapy,
 - prosthetics and/or orthotic devices,
 - hearing aids and hearing devices.
