

Employer Spotlight: Michigan Department of Natural Resources

Michigan Rehabilitation Services' Business Network Division invites you to join a Michigan Department of Natural Resources (DNR) Parks and Recreations Employer Spotlight. Three virtual sessions will be offered to provide information on a regional basis. See map on page 2 for regional information.

Attendees will:

- Discover the DNR and their commitment to conservation, protection, management & use of state parks and harbors
- Engage with DNR Regional Managers about a day-in-the-life of a Park Ranger or State worker
- Learn how to connect with DNR Parks & Recreation employment opportunities

Captioning and American Sign Language interpreters will be provided.
