

Demolition Training Sessions for
Blight Elimination Program (BEP) Grant Awardees
Summer 2024

As staff and consultants have been added or changed at the subrecipient level, or maybe you would like a refresher in how the process of demolishing structures works, SLBA would like to offer another Demolition 101 training session. These training sessions are designed to assist grantees who are using Round 3 and 4 BEP funds to demolish structures in their communities. Currently only one is scheduled, so please join if you can at the link below. This is **optional**; however, if prior staff/consultants attended and are no longer engaged in the program, it is highly recommended that you attend this training.

Monday, August 19, 2024: 3:00 pm to 4:30 pm
