WARN Act Notification

Please be informed that on September 8, 2022, Second Samuel Transport Inc., a DSP who's sole business is to provide delivery services for Amazon, was informed by Amazon that they will not be renewing our contract thereby causing us to lay off all employees and cease business not later than November 8, 2022. Second Samuel Transport Inc. employs 365 employees in 4 states. We have 3 sites in Michigan that employ as follows:

1400 E 10 Mile Rd., Hazel Park MI 48030 we have 64 employees.

11457 Hannah Rd. Romulus, Mi 48174 we have 46 employees.

3415 Northridge Dr NW, Grand Rapids, MI 49534 we have 35 employees.

All of these employees received a WARN notification email on September 9, 2022 within 24 hours of us becoming aware of the intent by Amazon not to renew, informing the employees that we would cease operations at these sites not later than November 8, 2022. Because Amazon completely controls route assignments and will ramp us down at their prerogative, we are unable to provide exact dates any better than this.

We have no union employees at any locations.
