

Pathways to Possibilities

Where am I going?

What do I need to get there?

How am I going to get there?

Chart Your Path to Success with the Bureau of Services for Blind Persons Training Center!

As a high school student stepping into adulthood, having a sense of purpose, a clear goal, and a solid plan is key to your success. The Bureau of Services for Blind Persons Training Center is here to help you create a roadmap for your future.

Through training in essential life skills, mobility, technology, and career planning, we'll help to prepare you for independence and success. Discover how our job-seeking strategies and interactive workshops can empower you to achieve your dreams.

Join us for a weekend of fun, engaging activities, and valuable insights! Explore how the Bureau can support you every step of the way on your journey toward adulthood.

Don't miss this opportunity to take charge of your future!
