

WORKPLACE READINESS TRAINING

When: Sunday, July 6 - Friday, August 1, 2025

Are you seeking customized training for workplace readiness skills and wanting to learn how to improve and refine your skills to be successful in post-secondary education or employment?

Come join us for customized training to develop skills necessary to get job ready.

Complete Workplace Readiness and STEMM Camp, and you'll qualify to receive a pair of Ray-Ban Meta glasses!

Program Overview: This is a customized training for PreETS students to target areas that have been identified as needing improvement for success in a post-secondary environment or employment. Training can be available for participants needed enhanced training throughout the summer. Training can include computers, assistive technology, self-advocacy instruction, career exploration, Braille, adaptive living techniques, orientation and mobility, finance education, and leisure activities. Participants may register to attend a combination of programs while onsite at the Training Center.

This program is intended to develop independent living and social skills necessary for a student to be successful in post-secondary education and employment.

Where: BSBP Training Center 1541 Oakland Dr.
Kalamazoo, MI 49008

How to Register: Contact your local BSBP counselor for referral.

***A completed medical form or physical is required**
