

## R U READY?

**Where:** BSBP Training Center 1541 Oakland Dr.  
Kalamazoo, MI 49008

**When:** Sunday, August 3-7, 2025

Are you unsure of the commitment to stay overnight at a residential training facility such as the BSBP Training Center, but think you could benefit from such program? Are you concerned about being away from home or being in an unfamiliar environment for an extended period?

Come join us for a four and a half-day program where you will experience what the Training Center Campus has to offer. If you are a student that has functional limitations beyond visual impairment and are considering a longer more comprehensive program in future years this is a great opportunity for you.

**Program Overview:** Participants will reside at the BSBP Training Center and complete programming on-site and within the local community. This will include self-advocacy instruction, career exploration, adaptive living techniques, orientation and mobility experiences, finance education, and leisure activities. This program is intended as the first step in preparation for future transition services to help students meet their goals.

**How To Register:** Contact your local BSBP counselor for referral.

**\*A completed medical form or physical is required**

### TARGET AUDIENCE:

For individuals ages 14 years old or older who are blind or low vision, have additional functional limitations, and who have NOT previously stayed overnight at the BSBP Training Center and would like to discover if they are ready for an extended intense residential training.

**DEADLINE:**  
**June 27, 2025.**
