

Library of Michigan CARES Act Grant Awards

The Library of Michigan (LM) is pleased to award CARES Act grants to 294 Michigan public libraries. The grants, totaling \$750,925, are to help public libraries provide safe and digitally inclusive services. The LM CARES Act grant program is designed to assist public libraries in providing improved access to the Internet for their community, while maintaining a safe environment for staff and patrons. The grants are funding one-year projects that increase libraries' supply of personal protective equipment and facilities supplies as well as increase community Internet connectivity through the purchase of Internet capable devices, hotspots or other appropriate materials and supplies for public use.

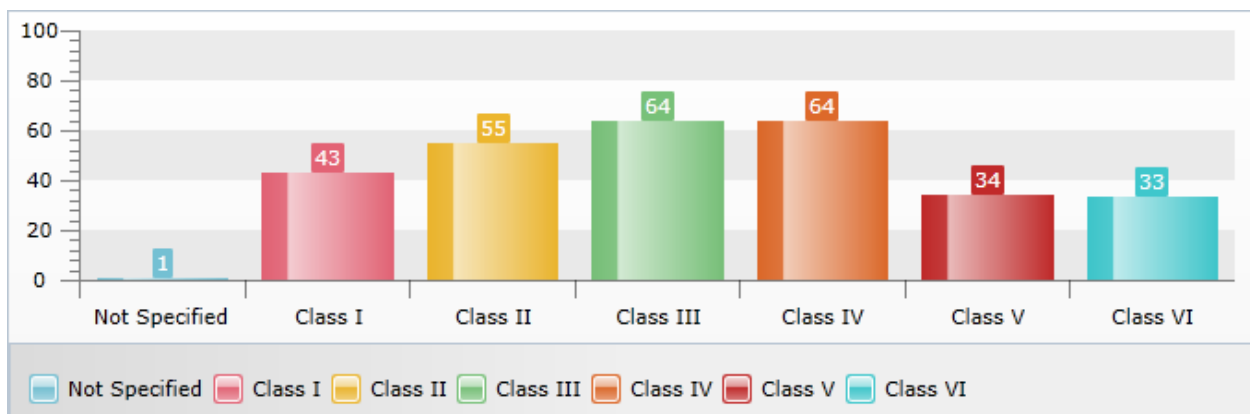

Further information on the CARES Act legislation and the Library of Michigan CARES Act grant program documentation can be found at www.michigan.gov/lsta in the CARES Act Grants section.

The grants were awarded to public libraries in 77 counties, which account for 74 percent of Michigan public libraries. The breakdown of grantee libraries by library cooperative and class size are below.

CARES Act Grants by Library Cooperatives

CARES Act Grants by Library Class Size

The grants are funded for the following amounts for personal protective equipment and facilities supplies and services:

- Up to \$500 per main library location; Up to \$300 per branch location

The grants are funded for the following amounts for digital inclusion supplies and services:

- Up to \$5,000 for Class V & VI libraries
- Up to \$3,000 for Class III & IV libraries
- Up to \$1,000 for Class I & II libraries
