Library of Michigan is pleased to announce that we are a state library partner in the *NASA@ My Library* project.

NASA's Solar System Ambassadors

The Solar System Ambassadors (SSA) program works with motivated volunteers across the nation to share the latest science and discoveries of NASA's space exploration missions through a variety of events that inspire their communities.

To find a local ambassador near you:

- 1) Visit the Solar System Ambassadors Program's website at: solarsystem.nasa.gov/ssa
- 2) Click on the "Directory" link
- 3) Search by Name, State and/or Country
- 4) Contact a SSA Volunteer for your program

NASA@ My Library is a national STAR Library Network (STAR Net) initiative that connects NASA, public libraries, state libraries, and their communities. Together we are working to increase STEM learning opportunities for millions of library patrons nationwide, particularly those underserved in STEM education.

NASA@ My Library is based upon work funded by NASA under cooperative agreement No. NNX16AE30A. Any opinions, findings, and conclusions or recommendations expressed in this material are those of NASA@ My Library and do not necessarily reflect the views of the National Aeronautics and Space Administration.
