Course Title: **Open Source Investigations**
Course ID:
Description: Open source investigations utilize free, unsecured websites to search for real world criminal activity. There is no trickery in open source investigations, it is not a way to get past usernames and passwords; it's simply a way to obtain what a criminal posts (names, pictures, videos, conversations) in open, and public forums. There is no need for search warrants, court orders, or subpoenas.

Course Title: **YSINTG**
Course ID: MDFI-YSINTG-2025
Description: This class takes pistol shooting back to the basics. In an attempt to focus on the defensive use of a handgun, many classes do not focus a great deal of time on the ability to place a bullet precisely where the shooter wants it to go. This class is aimed at fixing that. After this class, most students show drastic improvement in their pistol shooting accuracy and will be able to diagnose their own issues to further improvement on their own time.
