Course Title:

Background Investigation for Police Applicants

Course ID:

Description:

Law enforcement has striven for professionalism; however, abuses by officers have provided a negative impact. An examination of the past behavior of some involved officers reveals that a pattern of undesirable behavior existed prior to appointment as a police official. This behavior was unknown to the hiring agency due to inadequate or non-existent applicant screening. This course offers a systematic approach to background investigations which will assist in making informed hiring decisions.
