

AGENCY ASSESSMENT REPORT

ACTIVE-DUTY FIREARMS STANDARD

The Agency Assessment process is thoroughly outlined on the dedicated [Agency Assessment webpage on the MCOLES website](#). This page provides an in-depth explanation of the assessment's purpose, the four areas of focus for evaluation, the procedures to expect, and the rating scale used to document findings in each area. Additionally, it includes a resource guide on the statutes and rules relevant to each area assessed. Reviewing this information will assist in ensuring proper preparation and understanding of the assessment process.
