

**Law Enforcement Officer Applicant
Drug Test Report**

INSTRUCTIONS: This form is to be used **ONLY** for reporting those applicants who have tested positive or failed to provide a urine specimen as instructed.

State law requires all law enforcement officer applicants to be tested for the illicit use of controlled substances before enrollment in basic training or application for certification. Such testing is to occur no sooner than 180 days before enrollment in basic training or 180 days before certification (for pre-service students).

For those applicants who have tested **NEGATIVE** and are eligible for training and/or licensing, the original laboratory report must be filed in the officer’s file with agency. Confirmation that the individual met the standard for the drug screen and the date of the test are reported via the MCOLES Network (MITN).

Steps to complete this form:

1. Complete the agency/applicant information section (Part I); **AND**
2. if the applicant tested positive, complete part II; **OR**
3. if the applicant failed to report to provide a sample or otherwise refused to give a urine specimen, complete Part III.

All reports of positive tests or failure to report must be made to the MCOLES **immediately** following the scheduled drug test. Send completed reports to:
