You must request a fingerprint card from the Livescan vendor. Out of State applicants cannot have their fingerprints submitted electronically. Once you receive your fingerprint card follow the instruction provided by Identogo or BGI Associates LLC for submittal of the fingerprints. Each vendor's instructions are located here:

Program/Testing Requirements

The Program:

The MCOLES has set guidelines which govern the preparatory program for the Recognition of Prior Basic Training and Experience Examination Process. This program is currently 60+ hours in length and is designed to update the participant in the areas of Michigan's Motor Vehicle Code, Criminal Law and Procedure, First Aid/CPR Certification, and the legal aspects of the use of force in the area of Precision Driving.

The program also provides the participant with a minimum of eight (8) hours of firearms range time with Commission recognized firearms instructors to familiarize the participant with the handgun, shotgun and patrol rifle assessment courses of fire. The time on the range is **NOT** designed for the participants to receive basic firearms instruction. Therefore, the participant should come to the program as if they were prepared to qualify on all courses. An outline of the courses of fire will be included with the approval letter.

The preparatory program is **mandatory** for pre-service and tribal participants only. However, attendance at a program is strongly suggested for all candidates to ensure successful completion of the examinations.

Important:

All Recognition of Prior Basic Training and Experience (RPTE) candidates are required to pay for the licensing exam fee separately. This must be done by contacting Talogy at www.pbstesting.com/mcoles_cert no later than five (5) business days prior to the start of the program. Talogy accepts visa, mastercard (debit or credit), or money orders. If you are paying by money order, you must submit payment to Talogy ten (10) business days prior to the start of the program. If you are having difficulty registering for the exam, please call Talogy at 877-422-4092.

The Examinations:

Firearms:

Participants must qualify at each stage of fire on the handgun, shotgun and patrol rifle assessment course of fire. In the event the candidate does not pass all stages of the handgun, shotgun and patrol rifle in the first assessment, the candidate must successfully complete the failed portion of the course of fire on a second assessment. Passing the firearms assessment is mandatory prior to taking the licensing examination. If the candidate fails the second assessment, the candidate must successfully complete the remedial firearms program before being allowed to take the licensing exam.

Licensing Exam:

Participants are required to obtain a passing score on the licensing examination. Participants who fail the licensing exam will be given one opportunity to retest. A candidate who does not obtain a passing score on the retest must enroll in and complete a mandatory basic police training academy in order to be eligible for law enforcement licensing in Michigan.

Assessment and Examination Results:

All participants will be advised of their status in the firearms skill assessment as it transpires. Licensing examination results will be available online through Talogy www.pbstesting.com/mcoles_cert 24 hours after completing the exam. Candidates should not call the Commission for results. An employing agency can access the eligibility status of a candidate by using the MCOLES Information and Tracking Network (MITN).

First Aid Requirements:

All candidates in the Recognition of Prior Basic Training and Experience (RPTE) process are required to possess or obtain the following first aid and CPR certifications. Training for these certifications may be obtained at any Michigan Chapter of the American Red Cross or through a program offered at an MCOLES approved RPTE site.

Proof of first aid and CPR certifications (cards) will be checked at the licensing examination.

Minimum Requirements:

- Standard First Aid Card **and** Basic Life Support for the Professional Rescuer/Health Care Provider Card (Adult, Child and Infant CPR); **or**
- 43.5 hours Emergency Response Training; **or**
- EMT/Paramedic license in the State of Michigan.
