

JOIN EMMETT TOWNSHIP DEPARTMENT OF PUBLIC SAFETY – BE MORE THAN JUST A BADGE!

 Police Officer.  Firefighter.  Medical First Responder.
Three roles. One career. Endless opportunities.

Are you ready to break free from micromanagement and actually do the job you signed up for? Do you thrive on taking action, proactively arresting criminals, and chasing down those who think they can outrun the law? If so, we want YOU on our team.

At Emmett Township Department of Public Safety, we don't just respond to calls – we take control of situations. We empower our officers to think, act, and lead, not just punch a clock.

WHAT WE OFFER:

 Starting pay: \$62,069 - \$74,059 – and that's just the beginning. Pension, 457, and Roth IRA. Fantastic insurance.

 Real police work – we encourage proactive law enforcement, not paperwork marathons.

 Firefighting action – because saving lives isn't just a saying, it's what we do.

 Medical first response – because we're the first line of defense in emergencies.

 No experience? No problem! We'll sponsor you through:

 Police Academy

 Fire Academy

 Emergency Medical Responder (EMR) Training

WHO WE WANT:

 Go-getters who don't wait for permission to make a difference.

 Lateral transfers who are tired of bureaucracy and ready to work.

 Driven individuals who aren't afraid to enforce the law, put out fires, and save lives.

We aren't looking for the perfect candidate – we're looking for the perfect fit.

 Ready to take the next step? Apply today and become part of a team that believes in action, accountability, and making a real impact. Questions may be directed to Chief of Public Safety, Rich Mackey at jmackey@emmett.org

Emmett Township Department of Public Safety – We Don't Just Patrol, We Protect.
