PUBLIC SAFETY OFFICER IN MONROE

The City of Monroe Department of Public Safety is accepting applications for certified or certifiable police officers. Paid police or fire academy sponsorships are available.

The City of Monroe Police, established in 1837, has a rich history of serving the Monroe community for 175 years. Committed to excellence, the department continually strives to provide the highest level of service. In 2010, the department transitioned into a Public Safety Department, empowering officers with cross-training in firefighting alongside their traditional police duties. With a dedicated team of 38 sworn officers, the City of Monroe Police is actively seeking motivated individuals to join their ranks and contribute to our ongoing legacy of public service.

To be considered, you must submit a completed application and required documents.
