This Agreement serves as an application and an agreement for access by this law enforcement officer to the MCOLES Information and Tracking Network system and data contained therein regarding this officer's Michigan training and employment records.

Agreement, Covenants and Understandings

The officer will comply with all security requirements and responsibilities prescribed in the MCOLES Network Security Policy, all relevant laws, rules, and policies.

The officer will receive a unique user ID and password with which to log onto the MCOLES Network system. This user ID and password are for the exclusive use of the officer and may not be loaned to or used by anyone else.

The officer will cooperate with any investigation into a complaint about incidents of improper access, information misuse, unauthorized dissemination of information, and completed or attempted efforts to gain unauthorized access or cause malicious attacks on the MCOLES Network system.

Agreement Period

Access may be immediately suspended for improper access, information misuse, unauthorized dissemination of information, completed or attempted efforts to gain unauthorized access, access in excess of authority, malicious attacks on the MCOLES Network system, or any other violation of this Agreement, the MCOLES Network Security Policy, or relevant state or federal law.

The Michigan Commission on Law Enforcement Standards or the officer, upon giving 30 days written notice, may cancel this Agreement at any time. Any changes to this Agreement will be valid only if made in writing and accepted by all parties to this Agreement.

Acknowledgement

I have read and understand the MCOLES Network Security Policy and agree to abide by it and all relevant laws, rules, or policies. I certify that I will carry out all of the Agreement's terms and conditions.
