Course Title:	**Group Crisis & Assisting Individuals**
Course ID:	2.26032E+14
Description:	CISM is a comprehensive, integrative, multicomponent crisis intervention system. CISM is considered comprehensive because it consists of multiple crisis intervention components, which functionally span the entire temporal spectrum of a crisis. CISM interventions range from the pre-crisis phase through the acute crisis phase, and into the post-crisis phase. CISM is also considered comprehensive in that it consists of interventions which may be applied to individuals, large & small groups.

Course Title:	**Background Investigation for Police Applicants**
Course ID:	
Description:	Law enforcement has striven for professionalism; however, abuses by officers have provided a negative impact. An examination of the past behavior of some involved officers reveals that a pattern of undesirable behavior existed prior to appointment as a police official. This behavior was unknown to the hiring agency due to inadequate or non-existent applicant screening. This course offers a systematic approach to background investigations which will assist in making informed hiring decisions.

Course Title:	**Constitutional Use of Force**
Course ID:	
Description:	Whether you are fresh out of the academy or years into your career, it is your responsibility to stay current on the constitutional parameters for the use of force. This class will keep up with current Supreme Court decisions and state laws to make sure you know your rights, the limits of force, and how to avoid costly mistakes and legal issues. We delve into The Graham Standard, the 2025 Supreme Court Case Barnes v. Felix and the practical impact that has on officer use of force decisions.

Course Title:	**Officer Survival and Tactics**
Course ID:	
Description:	More control in the beginning of a police-citizen encounter often results in less force used at the end. Unfortunately, due to recent events over the past few years, many officers have inadvertently sacrificed their safety and tactics due to the creation of an, Occupational Liability Perspective. The creation and persuasion of this mindset has caused law enforcement officers to react slower, use less reasonable control techniques, and place themselves and citizens into more dangerous outcomes.
