

Basic Training Module Specifications

Functional Area: II. Patrol Procedures  
Subject Area: C. Patrol Techniques  
Module Title: 4. BEHAVIORAL HEALTH CRISIS RESPONSE  
Hours: Not less than 20 hours

Notes to Instructor:

MCOLES designed the Behavioral Health Crisis Response curriculum and courseware to be co-delivered to students by an instructor team comprised of a law enforcement officer with expertise in the response to persons in behavioral health crisis and by a practitioner or clinician with a background in mental health services. Instructors must complete Behavioral Health Emergency Partnership (BHEP) training and be recognized by MCOLES to deliver training prior to teaching this module.

Please contact MCOLES Behavioral Health Coordinator at [mshp-mcoles@michigan.gov](mailto:mshp-mcoles@michigan.gov) for curriculum and courseware.
