Section L: Michigan Commercial Feed Inspection & Tonnage Fee Report Completion Instructions

An Inspection and Tonnage Fee must be paid on commercial feed distributed in this state by the person whose name appears on the label as the manufacturer, guarantor, or distributor except that a person other than the manufacturer, guarantor, or distributor may assume responsibility for the inspection fee, subject to the following:

- If more than one person is involved in the distribution of commercial feed and feed ingredients, **the *LAST PERSON* that is required to be licensed and that distributes to a non-licensee is responsible for paying the Inspection and Tonnage Fee**.
- An Inspection and Tonnage Fee will not be paid on customer-formula feeds if the Inspection and Tonnage Fee is paid on the commercial feed ingredients that are used within the customer-formula feed.

Pet Treat & Small Quantity Manufacturers: Enter the tons of commercial feed and feed ingredients you manufactured on Line [7] in Section B. If you are using the electronic form, it will automatically calculate for you by rounding on Line [7] and entering the appropriate amount due on Line [33]. If zero tons are reported no minimum fee is due, however you must complete section J and may be subject to audit.

Exempt Products (see Section M: Definitions) or if no commercial feed or feed ingredients were manufactured/distributed in Michigan during the reporting period: Complete Sections A, J and K.

To use the Claimed Inspection and Tonnage Exemption (Line [20]): Michigan Commercial Feed License List

- Section F MUST BE completed indicating who is paying the Inspection and Tonnage Fee on your behalf, AND
- Section G MUST BE completed by the Michigan Commercial Feed-licensed firm that is paying the Inspection and Tonnage Fee for your firm.
- Failure by EITHER firm to complete this information, completely and correctly, WILL DISALLOW the Claimed Inspection and Tonnage Fee Exemption.
- For auditing purposes, it is strongly recommended that you have a written agreement specifying who is paying the Inspection and Tonnage Fee.

Section M: Definitions

- **"Commercial feed** means all materials or combination of materials, including feed ingredients, that are distributed or intended for distribution for use as animal feed or for mixing in animal feed…"
- **Customer-formula feed** means commercial feed that consists of a mixture of commercial feeds or feed ingredients, each batch of which is manufactured according to the specific instructions of the final purchaser… 287.525 Sec. 5(1)(5)(a) Customer formula feed labels provide the quantity of each commercial feed and feed ingredient used in the mixture. If you provide a guaranteed analysis feed label, your feed is not a customer-formula feed.
- **Wet by-product** means feed ingredients that are by-products of manufacturing processes and have a moisture content equal to or greater than 60%.

For a complete list of definitions, please see the Michigan Feed Law, PA 120 of 1975, as amended. Michigan Feed Law
