

## MDARD Spill Response

**PROGRAM MANAGER:** Michael Wozniak | 517-285-1752 | WozniakM1@michigan.gov

The Spill Response Program provides technical assistance for agrichemical and manure spills, including the approval of the land application of spilled materials at agronomic rates. Individuals with a pesticide, fertilizer, or manure spill can call the Michigan Department of Agriculture and Rural Development's (MDARD) Spill Response line at 800-405-0101. An agreement between MDARD and the Michigan Department of Environment, Great Lakes, and Energy allows for MDARD to take the lead in the state's response to agrichemicals and manure. This voluntary program allows agricultural producers to minimize or eliminate environmental contamination resulting from a spill incident.

### IMPACT FOR MICHIGAN:

Michigan's farmers seek to raise food, feed, and fiber in a cost-effective and environmentally sensitive manner. The Spill Response Program provides support to address both aspects when accidents occur. While rare, accidents involving pesticides and/or fertilizers can present significant environmental risk.

### 2021 ACCOMPLISHMENTS:

- Revised MDARD's Spill Response Manual.
- Conducted department-wide training for all staff who have spill response responsibility.
- Responded to and properly mitigated the impacts of four agrichemical spills.
- 417,850 pounds of spilled products were safely land applied.

## MEASURING SUCCESS:

Metric	2017	2018	2019	2020	2021
Spill incidents reported	11	7	7	8	4
After action reviews completed	-	-	7	8	4
Agronomic application of spilled materials (pounds)	13,953	72,000	13,200	80,680	417,850
Landfill/incineration of spilled materials (pounds)	0	30,000	3,895	0	0

## 2022 PROGRAM GOAL:

- Conduct after-action interviews within two weeks of each incident.
- Conduct outreach with non-departmental personnel to bring awareness to the program.
- Conduct consistency training with departmental personnel.

## KEY STAKEHOLDERS

- Agricultural suppliers and producers
- Environmental advocates and regulators
- Michigan consumers

## LEGAL AUTHORITY:

- Natural Resources and Environmental Protection Act, Public Act 451 of 1994, Parts 83 (Pesticide Control) and 85 (Fertilizers)
