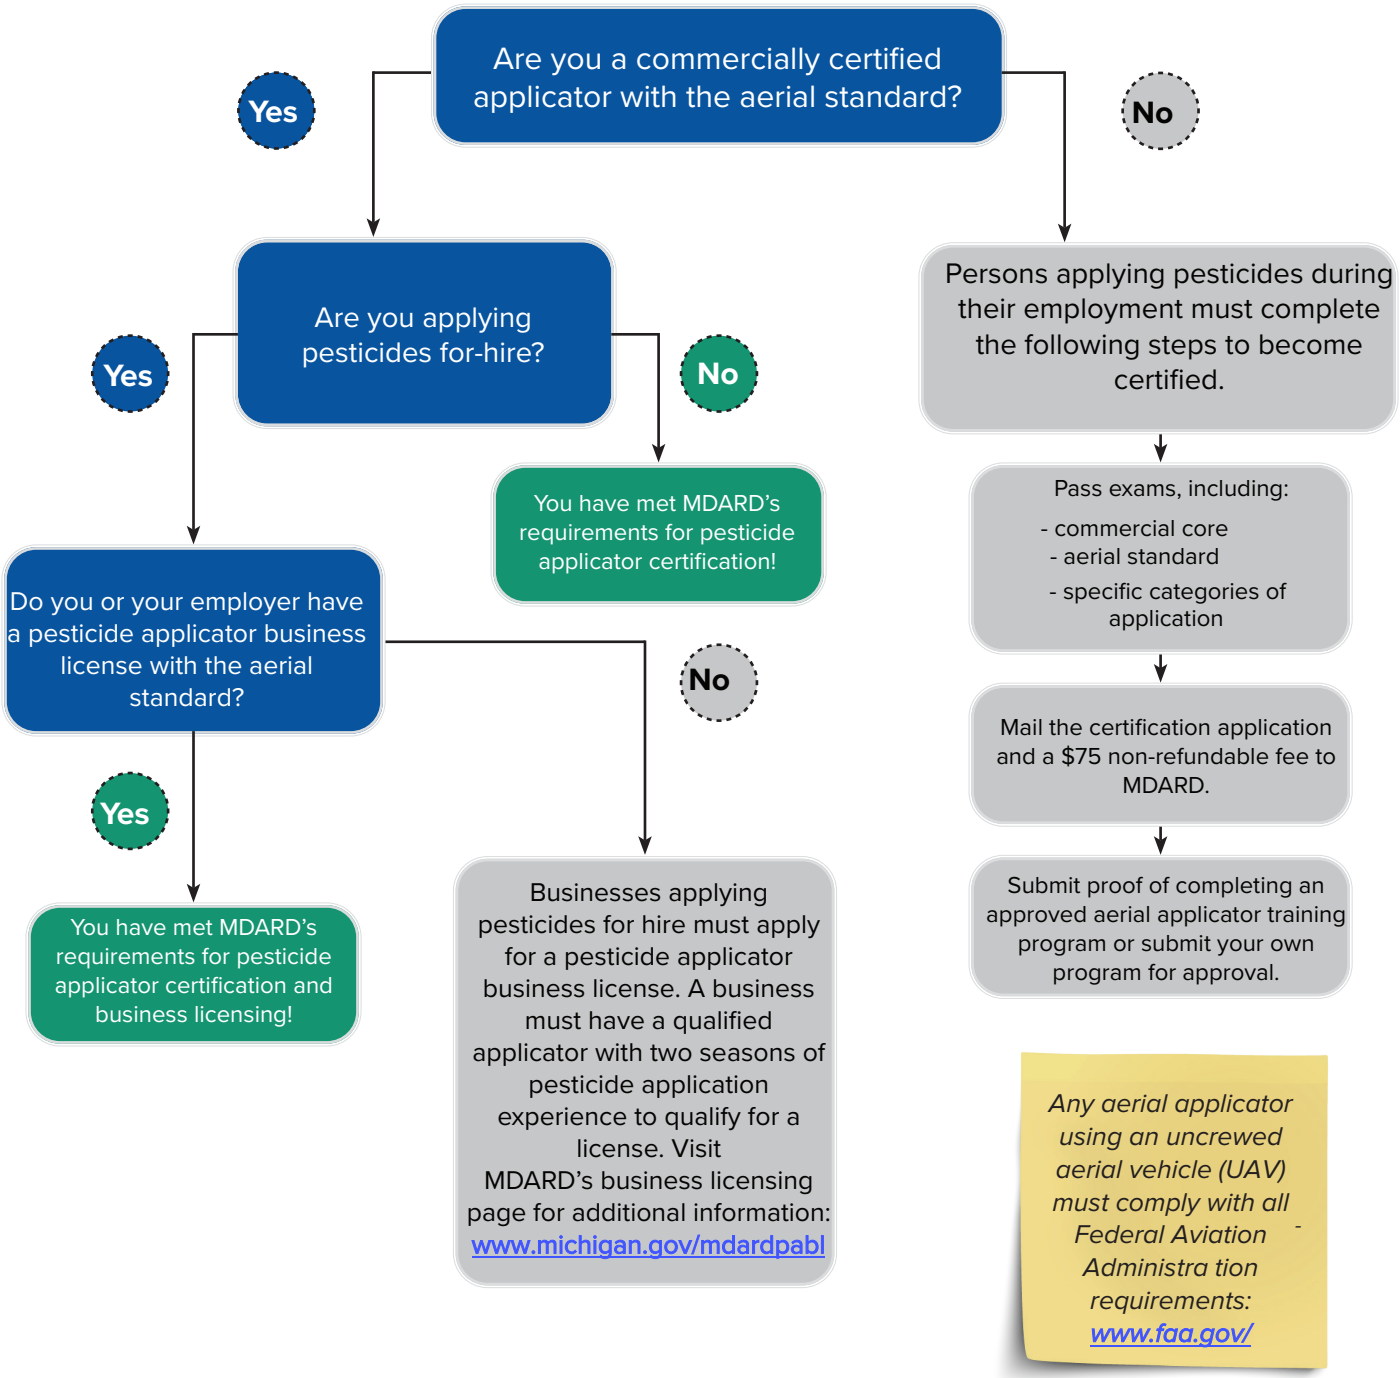
COMMERCIAL PESTICIDE APPLICATORS UTILIZING AN UNCREWED AERIAL VEHICLE (UAV)

Michigan Department of Agriculture & Rural Development

This information is for commercial applicators who apply pesticides as a part of their employment, either for-hire or as a part of their routine job duties.



Any aerial applicator using an uncrewed aerial vehicle (UAV) must comply with all Federal Aviation Administra tion requirements: www.faa.gov/

Visit MDARD's aerial applicator webpage for additional information: www.michigan.gov/aerialpest
