3. The “Person in Charge” must sign the license application. A person designated by the company applying for the license to sell restricted use pesticides (RUP’s) shall pass a written examination to determine his or her knowledge of the laws and rules governing the use and sale of pesticides and his or her responsibility in carrying on the business of a RUP dealer. This person is referred to as the "Person in Charge." This individual must have taken the RUP Dealer Exam before the firm can be licensed.
