Public Information Notice

Regulation 637, Pesticide Use, requires the Michigan Department of Agriculture & Rural Development (MDARD) to establish a registry of persons requiring notification prior to the application of lawn and ornamental pesticides on adjacent properties. In order to be registered, this application form must be submitted to MDARD by **February 1**. The information will be reviewed to determine the applicant's eligibility for registration. It is the responsibility of the applicant or applicant's legal guardian to inspect, amend, or correct the application information. The applicant's name and telephone number and physician's certification information contained are confidential information. All other information may be subject to public inspection under the Michigan Public Information Act. Nonconfidential information will be routinely shared with county health departments and commercial pesticide applicators required to provide notification to the registered applicant. Application information will not be routinely shared with state, federal, or local government agencies.
