

Cut Christmas Tree Field Inspection Application

Firm Name: _____ Contact Person: _____
 Email Address: _____ Phone Number: _____
 Mailing Address: _____ City: _____ State: _____ Zip: _____

Field Information

Field Name: _____
 County Name: _____
 Township: _____
 GPS Coordinates: _____
 Example: 45.44422, -84.22222

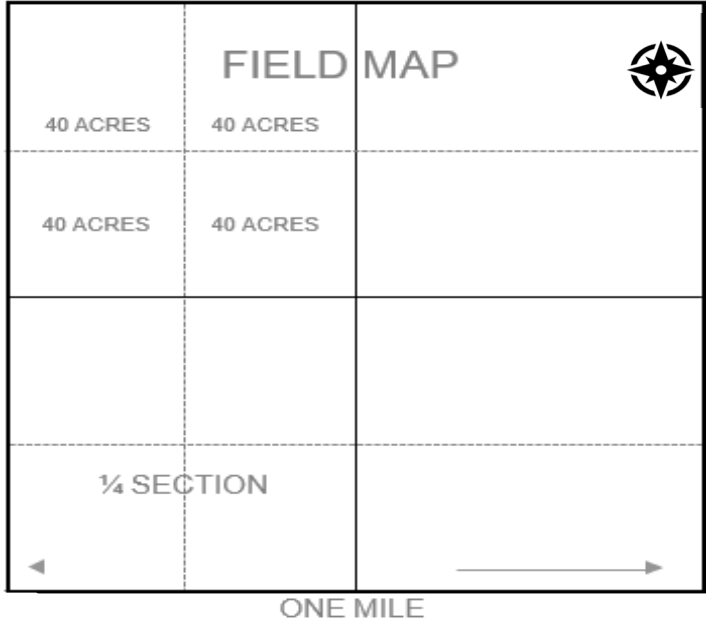

Trees to Be Inspected

Tree Species	# To Be Shipped	Acres in Block

Field Map Instructions: Draw only one map per field. If you have more than one field in this square mile section, use another form. Show roads, access routes, and landmarks. Incomplete maps will be returned and may cause inspection delays.

Alternative: Use satellite imagery to outline your field, print and attach it to this application.

Copies of this form and other information can be found online at:
www.michigan.gov/mdard/plant-pest/plant-health/plant-health-certification-and-export-program/xmastrees

- Check here if this field also contains nursery stock.
- Check here if materials from this field may be shipped to any of these states:
 - California
 - Hawaii
 - Montana
 - Wisconsin

Record of Insecticide Treatment

Tree Species	Application Date(s)	Application Rate	Pesticide Used	EPA Registration No.
