- In June 2009, the Michigan Civil Rights Commission ordered a review of the conditions of migrant and seasonal farmworkers in Michigan.
- In the following months, Commissioners and staff visited some 20-25 migrant camps, conducted seven public hearings, and collected well over a hundred testimonies.

- At its March 2010 meeting, the Commission adopted a formal report on the observations and testimony received
- This presentation provides a visual report of what we encountered...
