STATE VISION PLAN FOR RETIREES

Effective 1.1.2025

Your EyeMed vision benefit guide

Vision benefits that cater to you

Welcome to your State Vision Plan, administered by EyeMed Vision Care, LLC, under the direction of the Michigan Civil Service Commission (MCSC).

The MCSC is responsible for implementing your vision benefits and future changes in benefits. EyeMed provides certain services on behalf of the MCSC through an administrative contract. Your benefits are not insured with EyeMed, but are paid from funds administered by the MCSC.

This document is not a contract. Rather, it is intended to be a summary description of your State Vision Plan benefits. If statements in this description differ from the applicable coverage documents, the terms and conditions of the applicable coverage documents will prevail.

Your vision is the focus of everything we do

The value of an eye exam

Think you don't need vision care? Think again. Your eyes can speak pretty clearly. Pay attention and they'll tell you about health problems you may not even know about.

SPOT HEALTH PROBLEMS SOONER

An eye exam can spot early signs of diabetes, high blood pressure, high cholesterol, heart disease and even cancer. Not to mention cataracts and glaucoma. See it sooner. Treat it sooner.

STEER CLEAR OF EYE STRAIN

Every day, we spend hours staring at phones, laptops and tablets. These screens put out blue light, which is linked to blurred vision and retinal damage. An eye exam helps you protect those peepers.

AVOID VISION CREEP

Your eyes are always changing (you probably don't even notice it). But even the smallest changes can be tracked. Your benefits give you access to the sophisticated exam technology that sees it all.

The support that makes it simple

From the day you enroll to the day you find your favorite frames, we'll be within easy reach. Guiding. Advising. Helping you make the most of your vision benefits.

GET A HEAD START

We'll mail you a welcome kit with the 8 closest eye doctors and your ID card. (You don't need your card to receive services, but it's nice to know EyeMed is always there.)

GET 24/7 HELP ON-THE-GO

Visit eyemedvisioncare.com/SOM or download the EyeMed Members App to track claims and payments, find an eye doctor, print ID cards, get special offers, submit an out-of-network claim and much more.

GET EVERY QUESTION ANSWERED

One of America's highest-rated call centers is standing by 102 hours per week. Live, responsive and prepared to make life easy.

Coordination of Benefits (COB)

HOW COB WORKS

If you are covered by more than one group vision plan, coordination of benefits guidelines determine which carrier pays for covered services first.

The primary plan is the carrier that is responsible for paying first. This plan must provide you with the maximum benefits available to you under that plan.

Your secondary plan is the carrier that is responsible for paying after your primary plan has processed the claim.

FILING COB CLAIMS

Remember to ask your vision provider to submit claims to your primary carrier first. Note: Your vision benefits cover routine eye care. If your exam is for a medical condition, some charges may be paid through your medical plan. If you have questions about how services will be billed, ask your provider or contact EyeMed directly, 1-833-279-4355.

When you submit claims to EyeMed for reimbursement, please follow these steps:

1. Obtain an Explanation of Benefits (EOB) or payment statement from the primary carrier.

2. Ask your provider for an itemized receipt or a detailed description of the services, including charges for each service.

3. If you made any payments for the service, provide a copy of the receipt you received from the provider.

4. Make sure the provider's name and complete address are on your receipts.

5. Send these items to: First American Administrators, Inc., Attn: OON Claims, P.O.Box 8504, Mason, OH 45040-7111
Please note: COB claims may not be filed electronically.

6. Please make copies of all forms and receipts for your own files.
