

Navigating the Blue Cross Find-a-Doctor Tool

The “Find a Doctor” link for the SHP PPO, State HDHP and BCN all take you to: [For Members: Find Care | BCBSM](#)

Once on that page, non-members should select the “Search without logging in”.

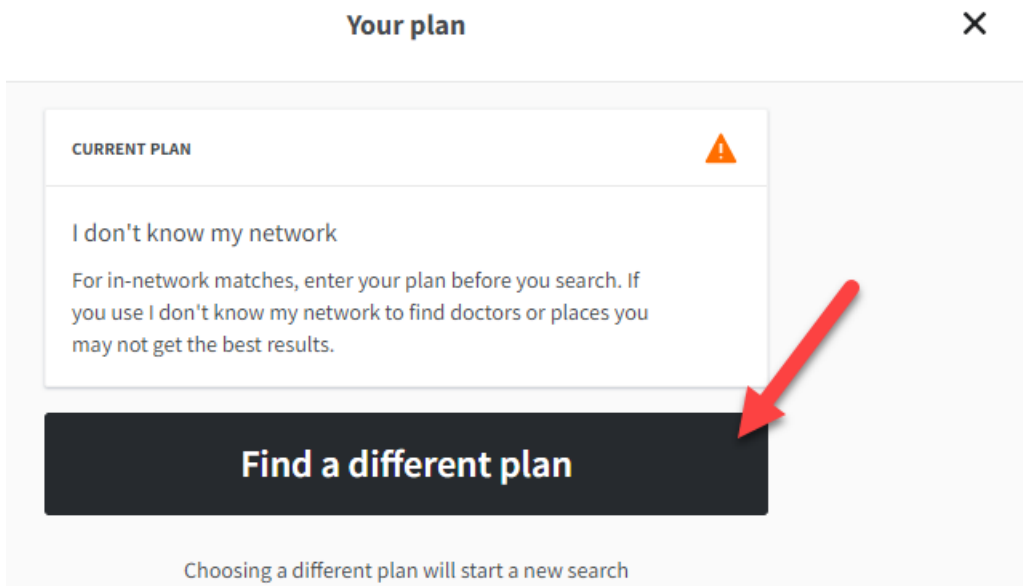

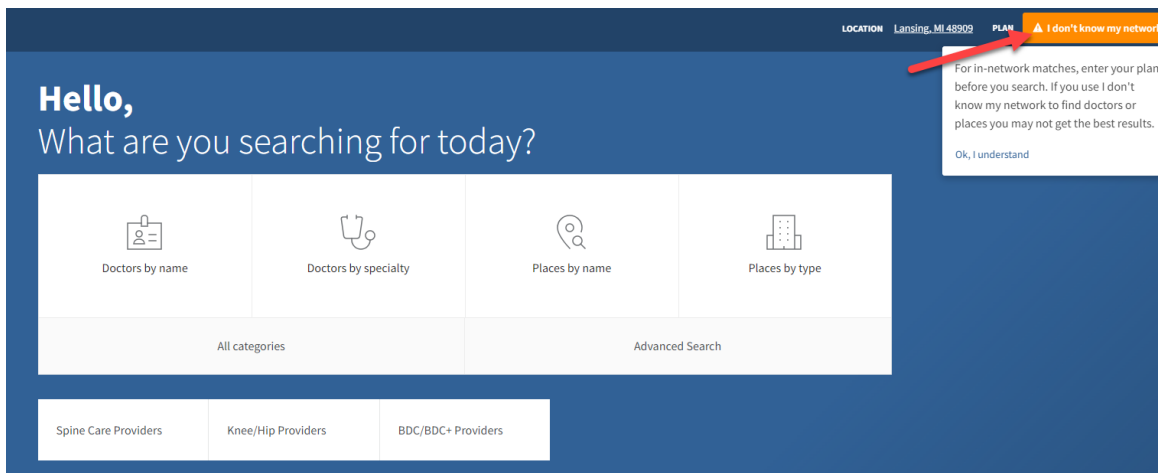

Next, select the “Choose a location” button.

Enter the address, city, or zip code for the area you'd like to search (for your doctor, facility, or your own information), or select “Use my current location”.

A screenshot of the location search input field. It shows a text box with the placeholder text 'Enter an address, city or zip code'. Below the text box is a button with a blue triangle icon and the text 'Use my current location'.

Once you've confirmed your selection, you'll see the page below. If you select the “I don't know my network” button in the upper-right corner, you can locate plans specific to State of Michigan employees.

The “State of Michigan Health Plan PPO” can be selected for the SHP PPO or State HDHP with HSA plans since they share the same network, and the “Blue Care Network (HMO and POS plans)” can be selected for the BCN HMO plan.
