

MICHIGAN CIVIL SERVICE COMMISSION
JOB SPECIFICATION
REPRODUCTION MACHINE REPAIRER

JOB DESCRIPTION

Employees in this job participate in and oversee the maintenance and repair of reproduction equipment such as offset duplicators; cutting, sorting, collating, stapling, and packaging equipment; camera and electrostatic platemakers; photo typesetters; and scanning equipment.

There are two classifications in this job.

Position Code Title - Reprduction Machine Repairer-E

Reproduction Machine Repairer 9

This is the experienced level. The employee performs a full range of activities using independent judgment to make decisions requiring the application of procedures and practices to specific work situations.

Position Code Title - Reprduction Machine Repairer-A

Reproduction Machine Repairer 10

This is the advanced level. The employee functions as a crew leader overseeing the work of lower-level Reproduction Machines Repairers.

JOB DUTIES

NOTE: The job duties listed are typical examples of the work performed by positions in this job classification. Not all duties assigned to every position are included, nor is it expected that all positions will be assigned every duty.

Maintains reproduction and related equipment; inspects for worn parts, lubricates machinery, and makes necessary adjustments.

Repairs offset duplicators, electrostatic and camera platemakers, phototypesetters, folding equipment, collators, and related equipment.

Checks electrostatic plates by running test plates to determine contrast, resolution, and focus of equipment.

Maintains service records on equipment.

Maintains material and parts inventory and requisitions parts required for maintaining and repairing equipment.

Instructs machine operators in operating and making minor adjustments on equipment.

Prepares installation sites for new equipment by removing old equipment, rewiring electrical service, etc.

Attends factory schools periodically to learn the repair techniques and procedures for new equipment.

Performs related work as assigned.

Additional Job Duties

Reproduction Machine Repairer 10
