

REQUESTING ACCESS TO THE NEXSYS LINK IN MILOGIN FOR BUSINESS

Step 1: Log in to your MiLogin for Business account. [1 MiLogin - Login](#)

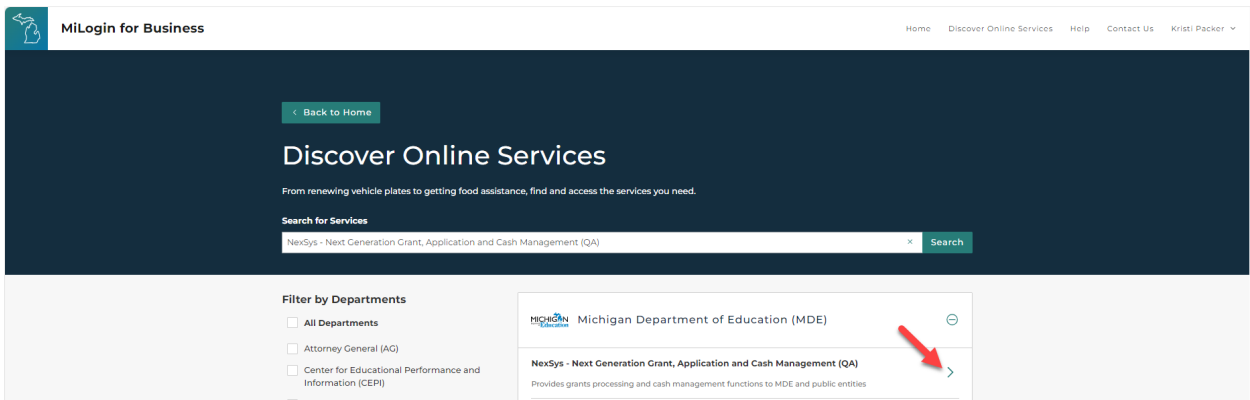

Step 2: Click on Discover Online Services.

Step 3: Type NexSys into the Search bar and click on the link when it appears.

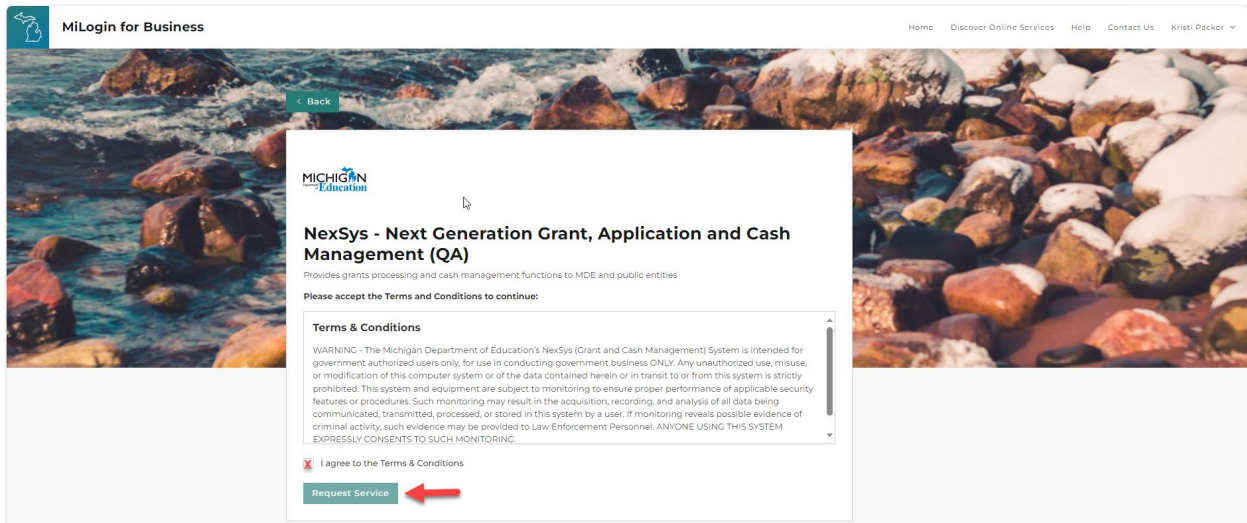

Step 4: Click on the > in the NexSys box.

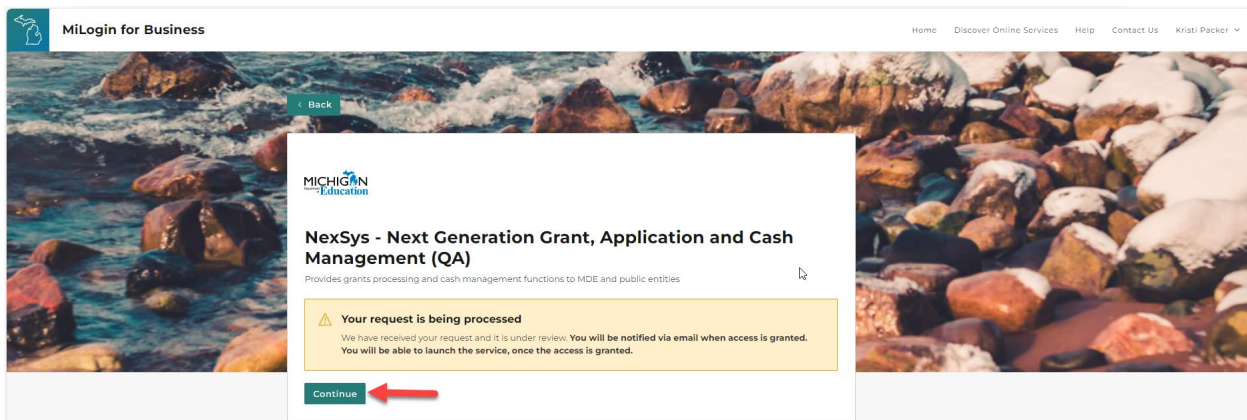

REQUESTING ACCESS TO THE NEXSYS LINK IN MILOGIN FOR BUSINESS

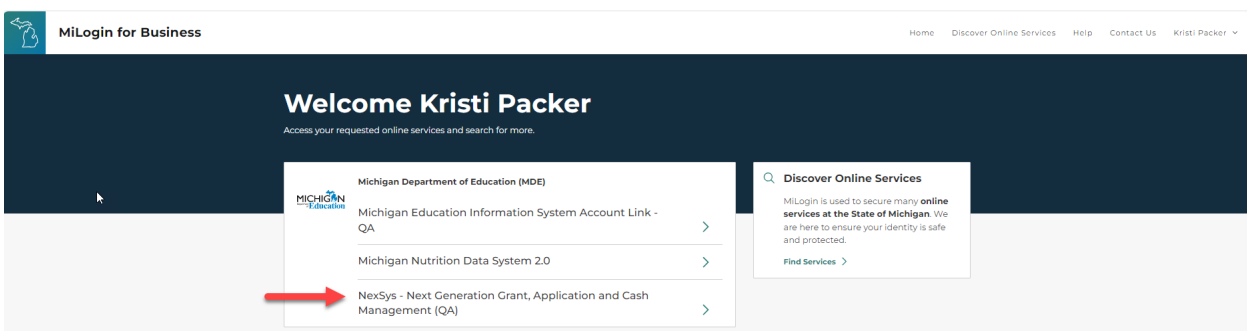

Step 5: Agree to the Terms and Conditions and click Request Service.

Step 6: Click Continue.

Step 7: You should now see the NexSys link on your MiLogin for Business home page.

NOTE: Having this link does not give you access to the NexSys system. This link is a bridge to the system. You still need to request access to the NexSys system.
