

Remembering the Holocaust

Never Forget to Never Repeat

A Movement History Webinar Series Presented by the Michigan Department of Education

Featuring

Anne Piontkowski, Ph.D. & Rick Schaffner

Teaching history through diverse viewpoints while highlighting how movements have shaped our nation can help to raise student engagement and excitement around historical content and civic involvement. Each session will feature a one-hour presentation. Dr. Piontkowski and Mr. Schaffner, Education Specialists at the Zekelman Holocaust Center, will provide factual content to Michigan educators. This series will provide information in connection with state standards and recommend materials/resources to develop lesson plans to teach comprehensive history with confidence.
