MICIP Opt-In Agreement 5 / 7

14. Cooperation; Execution of Additional Agreements  
The parties will execute such documents as may be necessary to realize the intentions of this MICIP-Agreement or comply with law. The parties will also require third-parties to execute such documents as may be necessary to realize the intentions of this MICIP-Agreement or comply with law, prior to granting the third-party access to the data. Examples include business associate and non-disclosure agreements.

15. Issue Resolution  
The parties will work collectively to resolve system issues relative to MDE's access to the data. Additionally, upon the request of either party, the parties will convene as reasonably necessary for the purpose of resolving problems that may arise in the administration or enforcement of this MICIP-Agreement. The parties will exchange documentation as reasonably necessary to identify and explain issues and positions. Any portion of this MICIP-Agreement that may be subject to interpretation will be addressed at these meetings.
