Public School Academy Directors

FROM: Michael F. Rice, Ph.D., State Superintendent 

SUBJECT: Submit Now! Michigan's Top 10 Strategic Education Plan: Promising Practices Exchange

The Michigan Department of Education (MDE) is reminding intermediate school districts (ISDs) and local education agencies (LEAs), both traditional public school districts and public school academies (PSAs), that the Michigan's Top 10 Strategic Education Plan: [Promising Practices Exchange](#) is available for submissions. Educators across the state are implementing strong practices that improve learner outcomes. MDE invites ISDs and LEAs to share their great work on the Promising Practices Exchange so others can learn from them.

[Michigan's Top 10 Strategic Education Plan](#) is Michigan's plan to provide focused direction to Michigan's education community in support of all learners. MDE is requesting submissions to the Promising Practices Exchange related to Goal 2: Improve Early Literacy Achievement until October 14, 2022.

Content experts vet submitted practices before inclusion on the Promising Practices Exchange to ensure they demonstrate improvements. Everyone interested in submitting a promising practice or viewing practices that have been included thus far should visit <https://mipromisingpractices.org/>.

Accepted promising practices are also available and identified in MiStrategyBank. [MiStrategyBank](#) is an electronic platform of improvement strategies to support the Michigan educational community and for use with educational data systems, such as the [Michigan Integrated Continuous Improvement Process \(MICIP\)](#).

Please direct questions regarding the Promising Practices Exchange to: MDE-OSPI@michigan.gov.
