CSI PLAN REVIEW RUBRIC			
ESSA REQUIREMENTS			
Requirement	**Evidence Provided?**	**Comments**	**Review Status**
The district has provided an assurance in GEMS/MARs that it has met the stakeholder involvement requirements in the development of the MICIP CSI plan.			Review Pending
There is evidence the plan takes into account the school's Key Performance Indicators (MI School Index) and describes how student performance will be measured against those indicators. The plan mentions one or more of the following indices: growth, proficiency, or graduation rate (high schools only)			Review Pending
The district has identified at least one evidence-based intervention in the assurances. The plan must call out the intervention(s) used and indicate the intervention(s) are evidence-based.			Review Pending
There is evidence the plan is based on the results of a school level needs assessment. The plan must either describe or name the process to identify those needs that led to the creation of this plan. At least one root cause is identified.			Review Pending
There is evidence the plan identifies resource inequities that exist at the school or district level that are affecting student achievement or graduation rates (high school only) in this building. The plan must provide evidence of how those inequities will be addressed.			Review Pending
An assurance is provided the plan has been approved by the school and local educational agency.			Review Pending
All 6 requirements met = Approved			
Missing one or more requirement = Modifications Required			
Overall Plan Recommendation: Approved Modifications Required	**Review Ongoing**
