

This communication is to inform you of an error in the administration of the M-STEP.

Your child took the M-STEP _____ test while sick. Your child's performance on the test may have been impacted by testing while sick.

Please select one of the two options to resolve this error:

1. Let it stand as delivered.
2. Request your child re-take the M-STEP _____ test.

This part must be completed by the Parent/Guardian only.

Please indicate your preference to resolve this issue in the space below.

I choose option # _____ to resolve this issue.

Child's Name: _____

Parent/Guardian Signature: _____ Date: _____
