

# Exceeding 1% Cap on Participation in State Alternate Assessment Intermediate School District (ISD) Summary Justification Form FY 2023-2024

## **ISD Name: Calhoun Intermediate School District**

All intermediate school districts must complete this summary form regarding the percentage of students assessed using Michigan’s alternate assessment (MI-Access). This includes justification forms from member districts/public school academies (PSA) that assessed more than 1% of students in the spring of 2023 using MI-Access.

### **Data**

## Technical Assistance and Professional Development

**Tier I:** In the winter of 2023, MDE provided feedback to each ISD, providing recommendations regarding technical assistance or professional development for their constituent districts. ISDs responded to this feedback in a variety of ways and carried out support to districts as appropriate. In the first table below, outline the general technical assistance or professional development provided to **all** districts regarding state assessment decisions or better targeting instruction. Specific or targeted technical assistance provided to a small groups of districts to address specific concerns should not be listed here, but rather in the next section (Tier II/III).

Date Occurred or Planned	Summary of Technical Assistance and/or Professional Development
01/30/2024	Professional development to the local special education supervisors around the tiers and new guidance released in the Jan. 25, 2024 Spotlight.

**Tier II/III:** MDE’s response to ISDs in 2023 (based on 2022 data) provided specific recommendations for each LEA, based on their participation rate or other information provided on Justification Forms. Please outline targeted assistance provided (or planned) to member districts following MDE’s recommendation. Please include assistance provided that may have exceeded MDE recommendations.

Member District	Date Occurred or Planned	Summary of Technical Assistance and/or Professional Development
Harper Creek Community Schools	05/02/2023	Reviewed district tier data and flagged students.
Lakeview Sch. District (Calhoun)	05/02/2023	Reviewed district tier data and flagged students.
Marshall Public Schools	05/02/2023	Reviewed district tier data and flagged students.

What resources or support does the ISD need from MDE to continue to provide targeted assistance or professional development to member districts on the topic of alternate assessment participation?

*None identified.*

## Assurances

### Please provide the following assurances.

The ISD has provided or will provide targeted assistance to member districts/PSAs that have been flagged for disproportionality for participation in the alternate assessment as outlined on the previous page.

Yes    No

Targeted assistance and professional development include an emphasis on member districts/PSAs using the State assessment selection guidance documents and online trainings.

Yes    No

Assessment selection is an IEP Team decision and will not be overridden by administrative or procedural decisions.

Yes    No

# Member District Exceeding 1% Cap Justification Form FY 2023-2024

## Member District: Calhoun Intermediate School District

The *Every Student Succeeds Act* (ESSA) places a 1% cap on alternate assessment (MI-Access) participation at the state level. Member districts that contribute to the state exceeding its participation cap must submit information to the Intermediate School District (ISD) justifying the need to exceed the 1% threshold. In addition, ISDs that run programs (functioning as a member district) must complete the form as a member district.

Each ISD collects information from member districts to submit to the state.

## Local Plan

Member districts are expected to provide professional development and technical assistance to staff to ensure high expectations are being held for all students, including students with the most significant cognitive disabilities. This includes reviewing local data, IEPs, student outcomes, and ISD feedback as part of that process.

Did the district provide professional development to new and existing staff regarding the definition of "Students with the Most Significant Cognitive Disabilities"?

Yes  No

Did the district use a formal process to review and record decisions made by IEP Teams regarding assessment selection?

Yes  No

Did the district use outcomes data (current and past results from MI-Access, district level data, progress monitoring data, and other formative classroom data) for the purposes of targeting instruction for students who took and are designated to take MI-Access?

Yes  No

Did the district receive feedback on the participation rate for students taking MI-Access with recommended action from the ISD as a result of the submitted justification forms last year (this may have come later in the spring)?

Yes  No

Please outline the professional development and technical assistance provided to staff regarding targeting student instruction and assessment selection decisions in the table below. This should include activity from January 1, 2023 to current day, as well as any planned or scheduled activity that is yet to be carried out for this school year.

Did the district operate a center-based program or regional collaborative for students with the most significant cognitive disabilities (serving students from in and outside of the district within a region or ISD)?

Yes  No

Please describe other justification:

*Battle Creek Public has a vast continuum of services with programs for students with cognitive impairments in the elementary buildings as well as secondary functional programs where students are on course to receive a certificate of completion, rather than a high school diploma. Each year at the IEP, the consideration for a certificate of completion vs. a diploma is discussed with the student and family and the implications of both pathways for the IEP team to consider. Not all students in these programs take an alternative assessment as that is always a point of discussion at the annual IEP.*

Total number of students taking spring summative assessments in grade 3-8 and 11 only (M-STEP + PSAT Grade 8 + SAT + MI-Access).	1907
Total Number of students tested with MI-Access in grades 3-8 and 11.	29
Students from outside the district placed in district's regional center-based program by IEP team (do not include students who are residents of the district or who have enrolled through school of choice processes).	0
<b>Adjusted Total</b>	1907
<b>Adjusted Participation Number</b>	29
<b>Adjusted Rate</b>	1.5%

Please describe other justification:

*During the 22-23 school year Lakeview operated 5 classrooms for students with cognitive impairments and 2 classrooms for students with autism spectrum disorder. These classrooms account for the higher number of students who took the Mi-Access test.*

<b>Projected Participation Rate for 2024</b>	1.4%

## Local Plan

Member districts are expected to provide professional development and technical assistance to staff to ensure high expectations are being held for all students, including students with the most significant cognitive disabilities. This includes reviewing local data, IEPs, student outcomes, and ISD feedback as part of that process.

Did the district provide professional development to new and existing staff regarding the definition of "Students with the Most Significant Cognitive Disabilities"?

Yes  No

Did the district use a formal process to review and record decisions made by IEP Teams regarding assessment selection?

Yes  No

Did the district use outcomes data (current and past results from MI-Access, district level data, progress monitoring data, and other formative classroom data) for the purposes of targeting instruction for students who took and are designated to take MI-Access?

Yes  No

Did the district receive feedback on the participation rate for students taking MI-Access with recommended action from the ISD as a result of the submitted justification forms last year (this may have come later in the spring)?

Yes  No

Please outline the professional development and technical assistance provided to staff regarding targeting student instruction and assessment selection decisions in the table below. This should include activity from January 1, 2023 to current day, as well as any planned or scheduled activity that is yet to be carried out for this school year.

Audience	Topics and Method of Training	Date	Planned/Completed
Special Education Teachers	Discuss assessment types and the use of MI-Access for only students who are cognitively Impaired.	01/12/2024	Planned

## Resources and Technical Assistance

Does the member district require additional resources and technical assistance from the ISD or MDE to ensure students are being assessed using the most appropriate state summative assessment tool based on the state guidelines?

Yes  No

## Assurances

Please provide the following assurances.

The member district IEP Team members follow the state guidelines for participation in the alternate assessment.

Yes  No

The member district allows IEP Team members to decide which students take an alternate assessment.

Yes  No

The member district addresses any issues of disproportionality in statewide assessment.

Yes  No

# Member District Exceeding 1% Cap Justification Form FY 2023-2024

## Member District: Marshall Public Schools

The *Every Student Succeeds Act* (ESSA) places a 1% cap on alternate assessment (MI-Access) participation at the state level. Member districts that contribute to the state exceeding its participation cap must submit information to the Intermediate School District (ISD) justifying the need to exceed the 1% threshold. In addition, ISDs that run programs (functioning as a member district) must complete the form as a member district.

Each ISD collects information from member districts to submit to the state.

## Data

Below are the 1% Participation Rates for Marshall Public Schools:

Content Area	Total Tested	Alternate Tested	Spring 2023 Participation Rate
English Language Arts	1269	17	1.3
Mathematics	1271	16	1.3
Science	559	5	0.9
Social Studies	557	4	0.7

By checking this box, the user acknowledges the data in the above table can be verified against the district level data provided in the ISD level report.

## Contributing Factors

Did the district test fewer than 500 students total using statewide assessments?

Yes  No

Did the district operate a center-based program or regional collaborative for students with the most significant cognitive disabilities (serving students from in and outside of the district within a region or ISD)?

Yes  No

Please describe other justification:

*The district operates Early Learning Classrooms and MiCI classrooms at the elementary school level, and Secodary Functional classes at the middle and high school level for students with more sever needs, causing us to have higher numbers of students who use Alternative Assessments.*

## Member District: Tekonsha Community Schools

The *Every Student Succeeds Act* (ESSA) places a 1% cap on alternate assessment (MI-Access) participation at the state level. Member districts that contribute to the state exceeding its participation cap must submit information to the Intermediate School District (ISD) justifying the need to exceed the 1% threshold. In addition, ISDs that run programs (functioning as a member district) must complete the form as a member district.

Each ISD collects information from member districts to submit to the state.

Mathematics	100	1	1
Science	54	1	1.9
Social Studies	54	1	1.9

By checking this box, the user acknowledges the data in the above table can be verified against the district level data provided in the ISD level report.

### Contributing Factors

Did the district test fewer than 500 students total using statewide assessments?

Yes  No

Select the option that applies:

Fewer than 5 students took MI-Access.  5 or more students took MI-Access.

Did the district operate a center-based program or regional collaborative for students with the most significant cognitive disabilities (serving students from in and outside of the district within a region or ISD)?

Yes  No

Please describe other justification:

*There was one student who took the alternative assessment. Because of the small population of the district, this puts them over the 1% threshold.*

Yes  No

Please describe other justification:

*The district tests fewer than 500 students and does not operate a center-based or regional collaborative program. The district does not have a wide range of programs but does well in providing all of their students with IEP's services in their least restrictive environment to be able to be educated with their non-disabled peers.*
