Technical Assistance and Professional Development

Tier I: In the winter of 2023, MDE provided feedback to each ISD, providing recommendations regarding technical assistance or professional development for their constituent districts. ISDs responded to this feedback in a variety of ways and carried out support to districts as appropriate. In the first table below, outline the general technical assistance or professional development provided to **all** districts regarding state assessment decisions or better targeting instruction. Specific or targeted technical assistance provided to a small groups of districts to address specific concerns should not be listed here, but rather in the next section (Tier II/III).

Date Occurred or Planned	Summary of Technical Assistance and/or Professional Development
08/24/2023	The county went over the 1% state guidance documents including the PowerPoint and the flowchart to make the IEP team decision on assessments. There was a question and answer session following the training where productive collaboration took place regarding the decision making abilities of the IEP team.

Tier II/III: MDE’s response to ISDs in 2023 (based on 2022 data) provided specific recommendations for each LEA, based on their participation rate or other information provided on Justification Forms. Please outline targeted assistance provided (or planned) to member districts following MDE’s recommendation. Please include assistance provided that may have exceeded MDE recommendations.

Member District	Date Occurred or Planned	Summary of Technical Assistance and/or Professional Development
Whittemore-Prescott Area Schools	05/24/2023	The Director and Monitor of Iosco RESA had a professional development with all Whittemore-Prescott Special Education Staff. All of the Whittemore-Prescott Special Education staff were present. The IRESA staff went over the IEP training with emphasis on the appropriate selection of state assessments for students with IEP's. Going over the state guidance documents more in-depth.

What resources or support does the ISD need from MDE to continue to provide targeted assistance or professional development to member districts on the topic of alternate assessment participation?

More detailed state guidance on decision making skills for the alternate assessment as we no longer have the waiver for over 1%.

Assurances

Please provide the following assurances.

The ISD has provided or will provide targeted assistance to member districts/PSAs that have been flagged for disproportionality for participation in the alternate assessment as outlined on the previous page.

Yes No

Targeted assistance and professional development include an emphasis on member districts/PSAs using the State assessment selection guidance documents and online trainings.

Yes No

Assessment selection is an IEP Team decision and will not be overridden by administrative or procedural decisions.

Member District Exceeding 1% Cap Justification Form FY 2023-2024

Member District: Iosco RESA

The *Every Student Succeeds Act* (ESSA) places a 1% cap on alternate assessment (MI-Access) participation at the state level. Member districts that contribute to the state exceeding its participation cap must submit information to the Intermediate School District (ISD) justifying the need to exceed the 1% threshold. In addition, ISDs that run programs (functioning as a member district) must complete the form as a member district.

Each ISD collects information from member districts to submit to the state.

Data

Below are the 1% Participation Rates for Iosco RESA:

Content Area	Total Tested	Alternate Tested	Spring 2023 Participation Rate
English Language Arts	23	23	100
Mathematics	22	22	100
Science	9	9	100
Social Studies	10	10	100

By checking this box, the user acknowledges the data in the above table can be verified against the district level data provided in the ISD level report.

Contributing Factors

Did the district test fewer than 500 students total using statewide assessments?

Yes No

Select the option that applies:

Fewer than 5 students took MI-Access. 5 or more students took MI-Access.

Did the district operate a center-based program or regional collaborative for students with the most significant cognitive disabilities (serving students from in and outside of the district within a region or ISD)?

Yes No

Utilizing the Alternate Assessment data (page 1), complete the following table.

Assessment Data Table	Number
Total number of students taking spring summative assessments in grade 3-8 and 11 only (M-STEP + PSAT Grade 8 + SAT + MI-Access).	21
Total Number of students tested with MI-Access in grades 3-8 and 11.	21
Students from outside the district placed in district’s regional center-based program by IEP team (do not include students who are residents of the district or who have enrolled through school of choice processes).	21
Adjusted Total	0
Adjusted Participation Number	0
Adjusted Rate	0%

Please describe other justification:

There are 21 total Center-Based students that are in grades 3, 4, 5, 6, 7, 8, & 11. Science is ok with 9 students however, only 9 should be taking social studies not 10.

Total number of students whose IEPs designate MI-Access for state summative assessments in any content area	21
Projected Participation Rate for 2024	100%

Local Plan

Member districts are expected to provide professional development and technical assistance to staff to ensure high expectations are being held for all students, including students with the most significant cognitive disabilities. This includes reviewing local data, IEPs, student outcomes, and ISD feedback as part of that process.

Did the district provide professional development to new and existing staff regarding the definition of "Students with the Most Significant Cognitive Disabilities"?

Yes No

Did the district use a formal process to review and record decisions made by IEP Teams regarding assessment selection?

Yes No

Did the district use outcomes data (current and past results from MI-Access, district level data, progress monitoring data, and other formative classroom data) for the purposes of targeting instruction for students who took and are designated to take MI-Access?

Yes No

Did the district receive feedback on the participation rate for students taking MI-Access with recommended action from the ISD as a result of the submitted justification forms last year (this may have come later in the spring)?

Yes No

Please outline the professional development and technical assistance provided to staff regarding targeting student instruction and assessment selection decisions in the table below. This should include activity from January 1, 2023 to current day, as well as any planned or scheduled activity that is yet to be carried out for this school year.
