Technical Assistance and Professional Development

Tier I: In the winter of 2023, MDE provided feedback to each ISD, providing recommendations regarding technical assistance or professional development for their constituent districts. ISDs responded to this feedback in a variety of ways and carried out support to districts as appropriate. In the first table below, outline the general technical assistance or professional development provided to **all** districts regarding state assessment decisions or better targeting instruction. Specific or targeted technical assistance provided to a small groups of districts to address specific concerns should not be listed here, but rather in the next section (Tier II/III).

Date Occurred or Planned	Summary of Technical Assistance and/or Professional Development
03/17/2023	Shared data from MDE/OSE with local SE coordinators Shared the Student Assessment website Shared and reviewed the "Decision Flowchart"

Tier II/III: MDE’s response to ISDs in 2023 (based on 2022 data) provided specific recommendations for each LEA, based on their participation rate or other information provided on Justification Forms. Please outline targeted assistance provided (or planned) to member districts following MDE’s recommendation. Please include assistance provided that may have exceeded MDE recommendations.

Member District Exceeding 1% Cap Justification Form FY 2023-2024

Member District: Ionia ISD

The *Every Student Succeeds Act* (ESSA) places a 1% cap on alternate assessment (MI-Access) participation at the state level. Member districts that contribute to the state exceeding its participation cap must submit information to the Intermediate School District (ISD) justifying the need to exceed the 1% threshold. In addition, ISDs that run programs (functioning as a member district) must complete the form as a member district.

Each ISD collects information from member districts to submit to the state.

Data

Below are the 1% Participation Rates for Ionia ISD:

Content Area	Total Tested	Alternate Tested	Spring 2023 Participation Rate
English Language Arts	54	46	85.2
Mathematics	54	46	85.2
Science	21	19	90.5
Social Studies	5	3	60

By checking this box, the user acknowledges the data in the above table can be verified against the district level data provided in the ISD level report.

Contributing Factors

Did the district test fewer than 500 students total using statewide assessments?

Yes No

Select the option that applies:

Fewer than 5 students took MI-Access. 5 or more students took MI-Access.

Did the district operate a center-based program or regional collaborative for students with the most significant cognitive disabilities (serving students from in and outside of the district within a region or ISD)?

Yes No

Utilizing the Alternate Assessment data (page 1), complete the following table.

Assessment Data Table	Number
Total number of students taking spring summative assessments in grade 3-8 and 11 only (M-STEP + PSAT Grade 8 + SAT + MI-Access).	50
Total Number of students tested with MI-Access in grades 3-8 and 11.	42
Students from outside the district placed in district’s regional center-based program by IEP team (do not include students who are residents of the district or who have enrolled through school of choice processes).	50
Adjusted Total	0
Adjusted Participation Number	0
Adjusted Rate	0%

Please describe other justification:

The goal is any diploma seeking student will take the M-STEP, PSAT, SAT, and ACT WorkKeys. The majority of our population is moderately to severely cognitively impaired and/or having severe multiple impairments. Our numbers ebb and flow from year to year causing our data to fluctuate.

2024 Projected Participation Rate

Projected Participation Rate for 2024	84%

Local Plan

Member districts are expected to provide professional development and technical assistance to staff to ensure high expectations are being held for all students, including students with the most significant cognitive disabilities. This includes reviewing local data, IEPs, student outcomes, and ISD feedback as part of that process.

Did the district provide professional development to new and existing staff regarding the definition of "Students with the Most Significant Cognitive Disabilities"?

Yes No

Did the district use a formal process to review and record decisions made by IEP Teams regarding assessment selection?

Yes No

Did the district use outcomes data (current and past results from MI-Access, district level data, progress monitoring data, and other formative classroom data) for the purposes of targeting instruction for students who took and are designated to take MI-Access?

Yes No

Did the district receive feedback on the participation rate for students taking MI-Access with recommended action from the ISD as a result of the submitted justification forms last year (this may have come later in the spring)?

Yes No

Please outline the professional development and technical assistance provided to staff regarding targeting student instruction and assessment selection decisions in the table below. This should include activity from January 1, 2023 to current day, as well as any planned or scheduled activity that is yet to be carried out for this school year.
