

Exceeding 1% Cap on Participation in State Alternate Assessment Intermediate School District (ISD) Summary Justification Form FY 2023-2024

ISD Name: Mecosta-Osceola ISD

All intermediate school districts must complete this summary form regarding the percentage of students assessed using Michigan’s alternate assessment (MI-Access). This includes justification forms from member districts/public school academies (PSA) that assessed more than 1% of students in the spring of 2023 using MI-Access.

Data

Below are the 1% Participation Rates for Mecosta-Osceola ISD:

Content Area	Total Tested	Alternate Tested	Spring 2023 Participation Rate
English Language Arts	3930	91	2.3
Mathematics	3923	89	2.3
Science	1700	37	2.2
Social Studies	1685	23	1.4

Technical Assistance and Professional Development

Tier I: In the winter of 2023, MDE provided feedback to each ISD, providing recommendations regarding technical assistance or professional development for their constituent districts. ISDs responded to this feedback in a variety of ways and carried out support to districts as appropriate. In the first table below, outline the general technical assistance or professional development provided to **all** districts regarding state assessment decisions or better targeting instruction. Specific or targeted technical assistance provided to a small groups of districts to address specific concerns should not be listed here, but rather in the next section (Tier II/III).

Date Occurred or Planned	Summary of Technical Assistance and/or Professional Development
08/22/2023	Embedded professional learning during our training of the MiPSE IEP system. Over the year, coaching on this section to review the guidelines and prompt teams through questions on decision-making for alternate assessments has continued.

Tier II/III: MDE’s response to ISDs in 2023 (based on 2022 data) provided specific recommendations for each LEA, based on their participation rate or other information provided on Justification Forms. Please outline targeted assistance provided (or planned) to member districts following MDE’s recommendation. Please include assistance provided that may have exceeded MDE recommendations.

Member District	Date Occurred or Planned	Summary of Technical Assistance and/or Professional Development
Chippewa Hills School District	04/21/2023	Reviewed student level data that was shared as being flagged. Completed a mini ed benefit process to review continued appropriateness of assessments. Created action planning for SE coordinator to review with principals for considering changes to assessments as applicable. Districts continue to be shared information regarding alternate assessments over the school year. Recently reports were shared on 12/8/23 for the district to review and plan for the upcoming school year. Data and resources are shared at our monthly LEA meetings.
Evert Public Schools	05/25/2023	Reviewed student level data that was shared as being flagged. Completed a mini ed benefit process to review continued appropriateness of assessments. Created action planning for SE coordinator to review with principals for considering changes to assessments as applicable. Districts continue to be shared information regarding alternate assessments over the school year. Recently reports were shared on 11/29/23 for the district to review and plan for the upcoming school year. Data and resources are shared at our monthly LEA meetings.
Reed City Area Public Schools	04/21/2023	Shared and reviewed Tier II data with the district. District reviewed student level list, met with teachers and created an action plan to transition students to the state level assessment as appropriate. Districts continue to be shared information regarding alternate assessments over the school year. Recently reports were shared on 11/29/23 for the district to review and plan for the upcoming school year. Data and resources are shared at our monthly LEA meetings.

What resources or support does the ISD need from MDE to continue to provide targeted assistance or professional development to member districts on the topic of alternate assessment participation?

No additional support outside of learning how to utilize the Ed Benefit tool to ensure we are able to complete the requirements timely and correctly.

Assurances

Please provide the following assurances.

The ISD has provided or will provide targeted assistance to member districts/PSAs that have been flagged for disproportionality for participation in the alternate assessment as outlined on the previous page.

Yes No

Targeted assistance and professional development include an emphasis on member districts/PSAs using the State assessment selection guidance documents and online trainings.

Yes No

Assessment selection is an IEP Team decision and will not be overridden by administrative or procedural decisions.

Member District Exceeding 1% Cap Justification Form FY 2023-2024

Member District: Mecosta-Osceola ISD

The *Every Student Succeeds Act* (ESSA) places a 1% cap on alternate assessment (MI-Access) participation at the state level. Member districts that contribute to the state exceeding its participation cap must submit information to the Intermediate School District (ISD) justifying the need to exceed the 1% threshold. In addition, ISDs that run programs (functioning as a member district) must complete the form as a member district.

Each ISD collects information from member districts to submit to the state.

Local Plan

Member districts are expected to provide professional development and technical assistance to staff to ensure high expectations are being held for all students, including students with the most significant cognitive disabilities. This includes reviewing local data, IEPs, student outcomes, and ISD feedback as part of that process.

Did the district provide professional development to new and existing staff regarding the definition of "Students with the Most Significant Cognitive Disabilities"?

Yes No

Did the district use a formal process to review and record decisions made by IEP Teams regarding assessment selection?

Yes No

Did the district use outcomes data (current and past results from MI-Access, district level data, progress monitoring data, and other formative classroom data) for the purposes of targeting instruction for students who took and are designated to take MI-Access?

Yes No

Did the district receive feedback on the participation rate for students taking MI-Access with recommended action from the ISD as a result of the submitted justification forms last year (this may have come later in the spring)?

Yes No

Please outline the professional development and technical assistance provided to staff regarding targeting student instruction and assessment selection decisions in the table below. This should include activity from January 1, 2023 to current day, as well as any planned or scheduled activity that is yet to be carried out for this school year.

Contributing Factors

Did the district test fewer than 500 students total using statewide assessments?

Yes No

Did the district operate a center-based program or regional collaborative for students with the most significant cognitive disabilities (serving students from in and outside of the district within a region or ISD)?

Yes No

Please describe other justification:

BRPS started a program for students with cognitive disabilities. In doing so, the district was thinking that since the students in the program were focused on more skills-based curriculum, they would be candidates for Mi-Access testing. Since Aug 2022, teams have been directed to use MDE flow chart to determine which students should take alternative assessments. 22-23 school year, 14 students tested with MI-Access. This year, we have 14 students that are anticipated to take the Mi-Access.
