Technical Assistance and Professional Development

Tier I: In the winter of 2023, MDE provided feedback to each ISD, providing recommendations regarding technical assistance or professional development for their constituent districts. ISDs responded to this feedback in a variety of ways and carried out support to districts as appropriate. In the first table below, outline the general technical assistance or professional development provided to **all** districts regarding state assessment decisions or better targeting instruction. Specific or targeted technical assistance provided to a small groups of districts to address specific concerns should not be listed here, but rather in the next section (Tier II/III).

Date Occurred or Planned	Summary of Technical Assistance and/or Professional Development
11/27/2023	Provided districts 2023 MI-Access Rosters with MI-Access test results.
12/16/2024	Reviewed Ohio's Alternative Assessment Process

Tier II/III: MDE's response to ISDs in 2023 (based on 2022 data) provided specific recommendations for each LEA, based on their participation rate or other information provided on Justification Forms. Please outline targeted assistance provided (or planned) to member districts following MDE's recommendation. Please include assistance provided that may have exceeded MDE recommendations.

Member District	Date Occurred or Planned	Summary of Technical Assistance and/or Professional Development
Bullock Creek School District	11/27/2023	Provided district with 2023 MI-Access Rosters with MI-Access test results.
Bullock Creek School District	12/19/2023	Reviewed Ohio's Alternative Assessment Process
Meridian Public Schools	11/27/2023	Provided district with 2023 MI-Access Rosters with MI-Access test results.
Meridian Public Schools	12/19/2023	Reviewed Ohio's Alternative Assessment Process

What resources or support does the ISD need from MDE to continue to provide targeted assistance or professional development to member districts on the topic of alternate assessment participation?

NA

Assurances

Please provide the following assurances.

The ISD has provided or will provide targeted assistance to member districts/PSAs that have been flagged for disproportionality for participation in the alternate assessment as outlined on the previous page.

Yes No

Targeted assistance and professional development include an emphasis on member districts/PSAs using the State assessment selection guidance documents and online trainings.

Yes No

Assessment selection is an IEP Team decision and will not be overridden by administrative or procedural decisions.

Yes No

Member District Exceeding 1% Cap Justification Form FY 2023-2024

Member District: **Midland County Educational Service Agency**

The *Every Student Succeeds Act* (ESSA) places a 1% cap on alternate assessment (MI-Access) participation at the state level. Member districts that contribute to the state exceeding its participation cap must submit information to the Intermediate School District (ISD) justifying the need to exceed the 1% threshold. In addition, ISDs that run programs (functioning as a member district) must complete the form as a member district.

Each ISD collects information from member districts to submit to the state.

Local Plan

Member districts are expected to provide professional development and technical assistance to staff to ensure high expectations are being held for all students, including students with the most significant cognitive disabilities. This includes reviewing local data, IEPs, student outcomes, and ISD feedback as part of that process.

Did the district provide professional development to new and existing staff regarding the definition of "Students with the Most Significant Cognitive Disabilities"?

Yes No

Did the district use a formal process to review and record decisions made by IEP Teams regarding assessment selection?

Yes No

Did the district use outcomes data (current and past results from MI-Access, district level data, progress monitoring data, and other formative classroom data) for the purposes of targeting instruction for students who took and are designated to take MI-Access?

Yes No

Did the district receive feedback on the participation rate for students taking MI-Access with recommended action from the ISD as a result of the submitted justification forms last year (this may have come later in the spring)?

Yes No

Please outline the professional development and technical assistance provided to staff regarding targeting student instruction and assessment selection decisions in the table below. This should include activity from January 1, 2023 to current day, as well as any planned or scheduled activity that is yet to be carried out for this school year.
