Technical Assistance and Professional Development

Tier I: In the winter of 2023, MDE provided feedback to each ISD, providing recommendations regarding technical assistance or professional development for their constituent districts. ISDs responded to this feedback in a variety of ways and carried out support to districts as appropriate. In the first table below, outline the general technical assistance or professional development provided to **all** districts regarding state assessment decisions or better targeting instruction. Specific or targeted technical assistance provided to a small groups of districts to address specific concerns should not be listed here, but rather in the next section (Tier II/III).

Date Occurred or Planned	Summary of Technical Assistance and/or Professional Development
12/05/2022	Local district LEA Special Education Supervisors and Designees met to review Special Education compliance including state assessment selection
12/11/2023	Local district LEA Special Education Supervisors and Designees met to review Special Education compliance including state assessment selection. ISD data will be shared along with MDE resources.

Tier II/III: MDE’s response to ISDs in 2023 (based on 2022 data) provided specific recommendations for each LEA, based on their participation rate or other information provided on Justification Forms. Please outline targeted assistance provided (or planned) to member districts following MDE’s recommendation. Please include assistance provided that may have exceeded MDE recommendations.

Member District	Date Occurred or Planned	Summary of Technical Assistance and/or Professional Development
Carsonville-Port Sanilac School District	02/29/2024	ISD will provide training to local district special ed staff on how to use MDE resources for selecting appropriate state assessment. In addition, local district staff will complete the MDE Assessment Selection Guidance Training.
Peck Community School District	02/29/2024	ISD will provide training to local district special ed staff on how to use MDE resources for selecting appropriate state assessment. In addition, local district staff will complete the MDE Assessment Selection Guidance Training.

What resources or support does the ISD need from MDE to continue to provide targeted assistance or professional development to member districts on the topic of alternate assessment participation?

None at this time

Assurances

Please provide the following assurances.

The ISD has provided or will provide targeted assistance to member districts/PSAs that have been flagged for disproportionality for participation in the alternate assessment as outlined on the previous page.

Yes No

Targeted assistance and professional development include an emphasis on member districts/PSAs using the State assessment selection guidance documents and online trainings.

Yes No

Assessment selection is an IEP Team decision and will not be overridden by administrative or procedural decisions.

Yes No

Member District Exceeding 1% Cap Justification Form FY 2023-2024

Member District: Sanilac ISD

The *Every Student Succeeds Act* (ESSA) places a 1% cap on alternate assessment (MI-Access) participation at the state level. Member districts that contribute to the state exceeding its participation cap must submit information to the Intermediate School District (ISD) justifying the need to exceed the 1% threshold. In addition, ISDs that run programs (functioning as a member district) must complete the form as a member district.

Each ISD collects information from member districts to submit to the state.

Data

Content Area	Total Tested	Alternate Tested	Spring 2023 Participation Rate
English Language Arts	22	22	100
Mathematics	22	22	100
Science	10	10	100
Social Studies	1	1	100

By checking this box, the user acknowledges the data in the above table can be verified against the district level data provided in the ISD level report.

Contributing Factors

Did the district test fewer than 500 students total using statewide assessments?

Yes No

Select the option that applies:

Fewer than 5 students took MI-Access. 5 or more students took MI-Access.

Did the district operate a center-based program or regional collaborative for students with the most significant cognitive disabilities (serving students from in and outside of the district within a region or ISD)?

Yes No

Utilizing the Alternate Assessment data (page 1), complete the following table.

Assessment Data Table	Number
Total number of students taking spring summative assessments in grade 3-8 and 11 only (M-STEP + PSAT Grade 8 + SAT + MI-Access).	22
Total Number of students tested with MI-Access in grades 3-8 and 11.	22

Projected Participation Rate for 2024	64.9%

Local Plan

Member districts are expected to provide professional development and technical assistance to staff to ensure high expectations are being held for all students, including students with the most significant cognitive disabilities. This includes reviewing local data, IEPs, student outcomes, and ISD feedback as part of that process.

Did the district provide professional development to new and existing staff regarding the definition of "Students with the Most Significant Cognitive Disabilities"?

Yes No

Did the district use a formal process to review and record decisions made by IEP Teams regarding assessment selection?

Yes No

Did the district use outcomes data (current and past results from MI-Access, district level data, progress monitoring data, and other formative classroom data) for the purposes of targeting instruction for students who took and are designated to take MI-Access?

Yes No

Did the district receive feedback on the participation rate for students taking MI-Access with recommended action from the ISD as a result of the submitted justification forms last year (this may have come later in the spring)?

Yes No

Please outline the professional development and technical assistance provided to staff regarding targeting student instruction and assessment selection decisions in the table below. This should include activity from January 1, 2023 to current day, as well as any planned or scheduled activity that is yet to be carried out for this school year.

Member District Exceeding 1% Cap Justification Form FY 2023-2024

Member District: Peck Community School District

The *Every Student Succeeds Act* (ESSA) places a 1% cap on alternate assessment (MI-Access) participation at the state level. Member districts that contribute to the state exceeding its participation cap must submit information to the Intermediate School District (ISD) justifying the need to exceed the 1% threshold. In addition, ISDs that run programs (functioning as a member district) must complete the form as a member district.

Each ISD collects information from member districts to submit to the state.

Data

Below are the 1% Participation Rates for Peck Community School District:

Content Area	Total Tested	Alternate Tested	Spring 2023 Participation Rate
English Language Arts	191	8	4.2
Mathematics	191	7	3.7
Science	93	3	3.2
Social Studies	92	3	3.3

Fewer than 5 students took MI-Access. 5 or more students took MI-Access.

Did the district operate a center-based program or regional collaborative for students with the most significant cognitive disabilities (serving students from in and outside of the district within a region or ISD)?

Yes No

Please describe other justification:

There were 8 students who took MI-Access ELA, 7 who took MI-Access in Math. The other areas were 3.

The data supports that it is not a systemic issue, but rather a small district with a small number of students taking Alternative Assessments.
