

Exceeding 1% Cap on Participation in State Alternate Assessment Intermediate School District (ISD) Summary Justification Form FY 2023-2024

ISD Name: **Wexford-Missaukee ISD**

All intermediate school districts must complete this summary form regarding the percentage of students assessed using Michigan’s alternate assessment (MI-Access). This includes justification forms from member districts/public school academies (PSA) that assessed more than 1% of students in the spring of 2023 using MI-Access.

Technical Assistance and Professional Development

Tier I: In the winter of 2023, MDE provided feedback to each ISD, providing recommendations regarding technical assistance or professional development for their constituent districts. ISDs responded to this feedback in a variety of ways and carried out support to districts as appropriate. In the first table below, outline the general technical assistance or professional development provided to **all** districts regarding state assessment decisions or better targeting instruction. Specific or targeted technical assistance provided to a small groups of districts to address specific concerns should not be listed here, but rather in the next section (Tier II/III).

Date Occurred or Planned	Summary of Technical Assistance and/or Professional Development
01/19/2023	The Monitor for WMISD presented to Member Districts Elementary Principals and Special Education Contacts on 1% and alternative assessments.
11/29/2023	Email memo to WMISD Center Based teachers regarding 1% and alternative assessments by the monitor. Attached to the email were the MDE Should my student take the alternative assessment flow sheet and the Mi-Access Clarification memo from MDE dated 08/13/2023.

Tier II/III: MDE's response to ISDs in 2023 (based on 2022 data) provided specific recommendations for each LEA, based on their participation rate or other information provided on Justification Forms. Please outline targeted assistance provided (or planned) to member districts following MDE's recommendation. Please include assistance provided that may have exceeded MDE recommendations.

Member District	Date Occurred or Planned	Summary of Technical Assistance and/or Professional Development
Cadillac Area Public Schools	01/22/2024	Tonya Jesweak will meet with SE Contacts and review IEPs that indicate the use of alternative assessment using the flow chart from MDE.
Highpoint Virtual Academy of Michigan	01/22/2024	Tonya Jesweak will meet with SE Contacts and review IEPs that indicate the use of alternative assessment using the flow chart from MDE.
Marion Public Schools	01/05/2024	Tonya Jesweak will meet with SE Contacts and review IEPs that indicate the use of alternative assessment using the flow chart from MDE.
McBain Rural Agricultural Schools	01/22/2024	Tonya Jesweak will meet with SE Contacts and review IEPs that indicate the use of alternative assessment using the flow chart from MDE.
Mesick Consolidated Schools	01/25/2024	Tonya Jesweak will meet with SE Contacts and review IEPs that indicate the use of alternative assessment using the flow chart from MDE.
Pine River Area Schools	01/22/2024	Tonya Jesweak will meet with SE Contacts and review IEPs that indicate the use of alternative assessment using the flow chart from MDE.

What resources or support does the ISD need from MDE to continue to provide targeted assistance or professional development to member districts on the topic of alternate assessment participation?

Any further guidance on 1% and alternative assessment would be appreciated, including clarification on where the 1% comes from. Schools need a middle of the road assessment between Mi-Access and MStep. There are situations where a student could possibly do well on Mi-Access, but unable to succeed at all on MStep. They may be better served with a different assessment. Additionally, a tiered diploma option should be considered.

Assurances

Please provide the following assurances.

The ISD has provided or will provide targeted assistance to member districts/PSAs that have been flagged for disproportionality for participation in the alternate assessment as outlined on the previous page.

Yes No

Targeted assistance and professional development include an emphasis on member districts/PSAs using the State assessment selection guidance documents and online trainings.

Yes No

Assessment selection is an IEP Team decision and will not be overridden by administrative or procedural decisions.

Member District: Pine River Area Schools

The *Every Student Succeeds Act* (ESSA) places a 1% cap on alternate assessment (MI-Access) participation at the state level. Member districts that contribute to the state exceeding its participation cap must submit information to the Intermediate School District (ISD) justifying the need to exceed the 1% threshold. In addition, ISDs that run programs (functioning as a member district) must complete the form as a member district.

Each ISD collects information from member districts to submit to the state.
