Updated FedEx Procedures to Return Secure Assessment Materials

As testing continues across the state, many schools/districts are beginning to plan for securely packing up and returning paper/pencil materials after administrations. Recently, FedEx made some minor changes to their call-in pickup procedures for returning materials. The updated instructions are as follows.

To schedule a pickup:

- call **1-800-GoFedEx (1-800-463-3339)**. After the voice prompt, say, **"Schedule an Express Pickup"** and follow the prompts.
- When transferred to a Customer Service Representative, specify that you need to schedule a **"FedEx Express pickup"**.
 - » You will need to specify that the delivery location is a business and not a residence.
 - » Should it be needed, the vendor (Measurement Incorporated) account number is preprinted on the lower right side of the airbill included in the assessment materials the school/district received before testing.

Information about these changes has been updated in the Test Administration Manuals (TAMs), which are on the web pages for [M-STEP](http://www.michigan.gov/mstep) (www.michigan.gov/mstep) and [MI-Access](http://www.michigan.gov/mi-access) (www.michigan.gov/mi-access).

Reminders

Join the Achieving Balance in Classroom Assessment Program

Districts that implement high-quality, balanced assessment systems with fidelity in every classroom show improved student learning and increased student achievement. As districts move forward to address historic levels of learning loss following the COVID-19 pandemic, high-quality classroom assessment is more important than ever.

This is why the Michigan Department of Education (MDE) is collaborating with the Michigan Assessment Consortium (MAC) in offering a three-year professional learning and implementation program to support district teams as they plan for and implement balanced classroom assessment systems.

In the [Achieving Balance in Classroom Assessment \(ABCA\) program](#), districts will learn how balanced assessment — assessment *for* learning and *of* learning — can:

- substantially improve student instruction and learning
- close gaps in student performance
- increase equity in student learning and achievement

For a full description of the ABCA program and a schedule of program activities, go to the [MAC event webpage](#) (bit.ly/MAC-ABCA).

The deadline to apply has been extended to **Saturday, April 30, 2022**. To participate, complete your [district application](#) (bit.ly/ABCA-Apply).

Have questions? Contact the MAC at assistant@michiganassessmentconsortium.org or MDE at YoungK1@michigan.gov.

FAME Project Accepting New Coach Applications for 2022-23

The Formative Assessment for Michigan Educators (FAME) project is entering its fifteenth year and is seeking interested educators who would like to lead a local learning team of teachers to explore, implement, and reflect on the formative assessment process in their classrooms. FAME Coaches are not expected to be the local expert on the formative assessment process — rather FAME Coaches are learners along with their learning team.

More information on the FAME project and access to the online [2022-23 New FAME Coach application](#) (<https://www.surveymonkey.com/r/NewFAMECoachApp>) is available on the [FAME public website](#) (<https://famemichigan.org>).
