Foreign Exchange Students Are to Take the MME, PSAT 10 and PSAT 8/9 in Spring 2022

Foreign exchange students in grade 11 in Michigan schools are expected to take all three components of the Michigan Merit Exam (MME).

The [Who Must/Can Take the MME document](#), found on the [MME web page](#) (www.michigan.gov/mme) under **General Information**, has been updated to address eligibility and testing requirements for students in grades 11 and 12 for the 2021-2022 academic year. District and Building Assessment Coordinators should review this document.

Foreign exchange students in other grades are included as enrolled students in their schools and are expected to participate in all state assessments based on their grade level. This includes the PSAT 8/9 and PSAT 10.
