**TO:** NexSys Authorized Officials and Consolidated Application Main Contacts

**FROM:** Dr. Corinne E. Edwards, Director  
Office of Educational Supports 

**SUBJECT:** 2025 Regional Spring Planning Workshops

The Office of Educational Supports (OES) is pleased to announce the Spring 2025 Regional Planning Workshop schedule. These annual workshops are offered to assist federal programs staff in local education agencies (LEAs), including public school academies (PSAs), in preparing for student-centered programs and initiatives supported by federal grants included in the 2025-26 Consolidated Application in NexSys. These supplemental services are intended to meet the identified and diverse needs of Michigan's students.

District-level fiscal and program staff members responsible for supporting the completion of the 2025-26 Consolidated Application are encouraged to attend an in-person workshop, if possible. Virtual regional workshop options are available for your consideration to accommodate your schedule.

For additional information related to participating in the 2025 regional workshops, please refer to the attached schedule or visit the [MDE-OES website](#) under the Workshops & Training section. If you have other questions, please contact your OES Regional Education Consultant at 517-241-6970 or send an email to [MDE-OES-RegionalSupport@michigan.gov](mailto:MDE-OES-RegionalSupport@michigan.gov) for support.
