TO: NexSys Authorized Officials and Consolidated Application Main Contacts

FROM: Dr. Corinne E. Edwards, Director
Office of Educational Supports

SUBJECT: 2026 Regional Spring Planning Workshops

The Office of Educational Supports (OES) is pleased to announce the Spring 2026 Regional Planning Workshop schedule. These annual workshops are offered to assist federal programs staff in local education agencies, including public school academies, in preparing for student-centered programs and initiatives supported by federal grants included in the 2026-27 Consolidated Application in NexSys. These supplemental services are intended to meet the identified and diverse needs of Michigan's students.

District-level fiscal and program staff members responsible for supporting the completion of the 2026-27 Consolidated Application are encouraged to attend an in-person workshop, if possible. A virtual option is also available to accommodate your schedule.

For additional information related to participating in the 2026 regional planning workshops, please refer to the attached schedule or visit the 2026 Regional Spring Planning Workshops webpage. If you have any other questions, please contact your OES Regional Field Services Consultant at 517-241-6972 or email MDE-OES-RegionalSupport@Michigan.gov for support.
